BE IT ORDAINED by The Mayor and Aldermen of the City of Savannah, Georgia, in a regular meeting of Council assembled and pursuant to lawful authority thereof, that:

SECTION 1: The Future Land Use Category as provided in the Comprehensive Plan and its Future Land Use Map for Chatham County and the City of Savannah, Georgia for the following described property containing 0.125 acres more or less be changed from its present Traditional Neighborhood Category to the Traditional Commercial Category based upon the criteria of suitability, community need, compatibility, consistency, reasonable use, and adequate public services:

SECTION 1A: Said property being depicted on a certain plat recorded with the Office of the Clerk of Superior Court of Chatham County, Georgia under Plat Book MAP01 Page 196B, said plat by reference is incorporated into and made part of this description, and being depicted on the attached Aerial Map, and being more particularly described as follows:

3. 321 E 32ND ST with PIN 20053 33016 containing 0.02 owned by GORDON DEVELOPMENT GROUP, LLC;
4. 323 E 32ND ST with PIN 20053 33017 containing 0.02 owned by GORDON CHARLES & JOENELLE;
5. 325 E 32ND ST (aka 0 E 32ND ST) with PIN 20053 33001 containing 0.02 owned by GORDON CHARLES L.

SECTION 2: The Chatham County-Savannah Comprehensive Plan, along with the Future Land Use Map, adopted by The Mayor and Aldermen on January 19, 2017:

SECTION 2A: Currently designates the 0.125-acre property as Traditional Neighborhood.

SECTION 2B: The existing Traditional Neighborhood Future Land Use Category is defined as “Residential areas in close proximity to downtown or in outlying historically settled areas having development patterns characteristic of the Planned Town, Streetcar, and Early Automobile eras. This category includes non-residential uses that are compatible with the residential character of neighborhoods”.

SECTION 2C: The proposed Traditional Commercial Future Land Use Category is defined as “Business areas in close proximity to downtown or in outlying historically settled areas having development patterns characteristic of the Planned Town, Streetcar, and Early Automobile eras. This category includes residential uses that are compatible with the character of adjacent neighborhoods”.

SECTION 2D: On October 29, 2019, the Planning Commission voted to recommend approval of rezoning the property to the TC-1 (Traditional Commercial -1) Zoning District because “The Streetcar neighborhood, formerly Mid-City, is a mixed-use neighborhood characterized by commercial and residential uses existing in close proximity to one another. The dimensions of the subject lots are substantially smaller than most of the residential parcels in the vicinity. The subject properties have remained undeveloped, seemingly since the lots of record were established, due to the dimensional shortcomings. The potential for redevelopment lies in combining the parcels. Although this potential combination of lots would permit residential, as a corner lot on Habersham Street, mixed use or nonresidential uses are appropriate as allowed under the proposed zoning” under File No. 19-007207-ZA. In doing so, they recommended approval of designating the property as being in the Traditional Commercial Future Land Use Category.

SECTION 2E: The Mayor and Aldermen concur with the Planning Commission’s recommendation by designating the 0.125-acre property as being in the Traditional Commercial Future Land Use Category.

SECTION 3: The requirements of Section 3.2 of the Zoning Ordinance of the City of Savannah and the law in such cases made and provided has been satisfied. An opportunity for a public hearing was afforded anyone having an interest or property right which may have been affected by this zoning amendment, said notice being published in the Savannah Morning News, on December 23, 2019, a copy of said notice being attached hereto and made a part hereof.

SECTION 4: All ordinances or parts of ordinances in conflict herewith are hereby repealed.

EFFECTIVE DATE: This ordinance shall be effective as of the date hereof.

ADOPTED AND APPROVED THIS _____.
