Such establishment shall be in continuous compliance with city building, plumbing and life safety code requirements regarding public restrooms.
- (f) It shall be the responsibility of a Class C licensee to employ crowd management techniques to assure that patrons are adequately disbursed throughout the establishment in compliance with the occupant load of the specific area or areas of the establishment.
- (g) It shall be the responsibility of all Class C licensees to see that the occupant load is not exceeded.
- (h) To the extent patrons may assemble outside licensed premises awaiting entry or upon exiting, it shall be the responsibility of the licensee to see that those patrons are not blocking the sidewalk, street, public ways or entrances to other establishments.
- (i) It shall be the responsibility of a licensee to routinely monitor all on-site and off-site areas associated with the licensed premises to prevent such areas from becoming outdoor gathering places. It shall be the responsibility of the licensee's personnel to clear all on and off-site areas associated with the licensed premises within 30 minutes of closing.
- (j) To the extent utilized by a licensee, all security personnel shall be readily and uniformly identifiable by such means as a badge or other form of identification to assist patrons and public safety officers. All security personnel shall review and have a firm working knowledge of the public safety plan pertaining to the applicable premises.
- (k) It shall be the responsibility of a licensee to assist persons in entering and leaving the establishment in an orderly manner. In the event any person is disorderly or otherwise is engaged in illegal conduct, personnel shall contact law enforcement.
- (l) A licensee's premises, including the sidewalks and adjacent public ways, shall be kept clean and free of litter or trash, and such premises shall be and remain in full compliance with all requirements of the city inspections department.
- (m) Those establishments required to submit a public safety plan shall conduct business pursuant to the terms of the plan submitted to the city and shall timely furnish, in no event more than 30 days thereafter, in writing, material changes to the plan to the revenue director with a contemporaneous copy to the chief of SCMPD or his/her designee.
- (n) Posting of licenses, occupant load certificate, etc., required. Any person licensed to manufacture, distribute, dispense or sell alcoholic beverages within the City of Savannah shall post together, or as otherwise directed by a deputy city marshal, in a conspicuous place in clear public view:
 - (1) The alcoholic beverage license issued for the premises by the City of Savannah, and all other related permits, if any;

 - (3) An alcoholic beverage license for the premises issued by the State of Georgia;

- (4) An occupant load certificate issued by Savannah Fire and Emergency Services showing the maximum number of persons who may occupy the premises at any one time; and
 - (5) Any certificate of inspection and approval as may be required by the Chatham County Health Department.
- (o) Lewd or obscene conduct prohibited; findings and statement of purpose. The mayor and aldermen find that live, public human nudity (either partial or total) under certain circumstances, particularly in circumstances related to the sale or consumption of alcoholic beverages, tends to beget criminal behavior and to create undesirable community conditions. Among the acts of criminal behavior identified with nudity and alcohol are prostitution, violent and sex-related offenses, drug trafficking and use, illegal dispensing of alcoholic beverages and disorderly conduct. Among the undesirable community conditions identified with nudity and alcohol are depression of property values in the surrounding neighborhood, increased expenditure for and allocation of law enforcement personnel to preserve law and order, increased burden on the judicial system as a consequence of the criminal behavior hereinabove described, and acceleration of community blight by the concentration of such establishments in particular areas. Therefore, in the interest of public health, safety, and welfare, the limitation of nudity and sex-related conduct in establishments holding an alcoholic beverage license is a matter of compelling governmental interest and concern because it will discourage and reduce the criminal behavior and undesirable community conditions normally associated with license-holding establishments that allow and/or encourage nudity or sex-related conduct.
- (1) *Licensee's responsibility.* A licensee is guilty of permitting obscene, lewd, or indecent conduct when the license holder, either actively or with constructive knowledge, allows performances which expose to view portions of the pubic area, anus, anal cleft, vulva or genitals or where the licensee fails to make reasonable and timely effort to halt or abate such activity or conduct.
 - (2) *Prohibited under state law.* No licensee shall permit a person to perform any acts upon its premises that are in violation of O.C.G.A. § 16-6-8, as amended, regarding public indecency, nor permit any obscene, lewd, or indecent entertainment therein.
 - (3) *Prohibited acts.* No licensee or agent thereof shall allow any person, regardless of such person's business or personal relationship (or lack thereof) to the license holder, to initiate or continue, in or around the premises:
 - (i) The employment or use of any person in any capacity in the sale or service of alcoholic beverages while such person is unclothed or in such attire, costume, or clothing as to expose to view any portion of the female breast below the top of the areola or any portion of the male or female pubic hairbands, anal cleft, vulva or genitals;
 - (ii) Live entertainment where any person appears in the manner described in the preceding subparagraph of this subsection or where any person engages in or simulates any of the following acts:
 - (a) Sexual intercourse, masturbation, sodomy, bestiality, oral copulation, flagellation, or any sexual act which is prohibited by law;
 - (b) The caressing or fondling of the breasts, buttocks, anus or genitals;
