Announcements:

Alderman Thomas announced the passing of Ms. Sandra "Sandy" Battise on Thursday, November 28, 2019 at her residence. She was a resident of Coffee Bluff who led the African American historic preservation movement for the fishing villages that were around in the 1800s. She was very active with getting the signs placed. She will be remembered well and missed by everyone she served.

Mayor DeLoach announced the passing of Mr. Craig Harney, who will be sorely missed by his family, the City and WTOC. He would do anything for anybody and he was a very good man. Mayor Pro-Tem Bell indicated that Craig developed the first video for the Summer 500 program, and that video was used to solicit businesses to participate and to promote similar programs in other cities across the country. He was the epitome of servanthood, a true gentleman and one of the most selfless gentlemen.

Alderman Hall made a motion to adjourn, Alderman Miller seconded. Hearing no objections, the motion carried unanimously.

Mayor DeLoach adjourned the meeting at 4:21 p.m.
