WHEREAS, the DEPARTMENT is authorized to receive federal funding for Transportation Enhancement Activities for Georgia pursuant to provisions of Title 23, Chapter 2, Subchapter 1, Section 133; and

WHEREAS, the PROJECT is expected to positively impact the quality of transportation in the State of Georgia; and

WHEREAS, the DEPARTMENT desires to financially participate with the SPONSOR in the implementation of the PROJECT; and

WHEREAS, the SPONSOR has represented to the DEPARTMENT that it has the authority to receive and expend federal funds for the purpose of this PROJECT and is qualified and experienced to provide such services necessary for the construction of the PROJECT and the DEPARTMENT has relied upon such representations; and

WHEREAS, under Section 32-2-2(a)(7) of the Official Code of Georgia Annotated, the DEPARTMENT is authorized to participate in such an undertaking.

NOW, THEREFORE, the DEPARTMENT and the SPONSOR, both governmental entities of the State of Georgia, pursuant to Article IX, Section III, Paragraph I(a) of the Georgia Constitution of 1983, and in consideration of the mutual promises and covenant contained herein, do hereby agree as follows:
ARTICLE I
SCOPE AND PROCEDURE

The SCOPE AND PROCEDURE for this PROJECT shall be: Construction of CS 1021/Broughton St FM SR 25 Conn to CS 909/East Broad St, as set forth in Exhibit A, WORK PLAN, which is attached hereto and incorporated as if fully set out herein. The scope of work is further defined by the PROJECT design and construction plans ("PROJECT PLANS") on file with the DEPARTMENT and the SPONSOR and referenced as if attached hereto and incorporated as if fully set out herein.

The SPONSOR shall be responsible for assuring that the PROJECT will be economically feasible and based upon sound engineering principles, meet American Association of State Highway and Transportation Officials ("AASHTO") Guidelines and will be sensitive to ecological, environmental and archeological issues.

The WORK PLAN sets out the scope of work for the PROJECT. It is understood and agreed that the DEPARTMENT shall participate only in the PROJECT as specified in Exhibit A, WORK PLAN.

During the development of the PROJECT the SPONSOR has taken into consideration, as applicable, the DEPARTMENT's "Standard Specifications for the Construction of Transportation Systems", 2013 Edition; "Supplemental Specifications Book", current edition; AASHTO standards for bicycle facilities; FHWA guidelines for pedestrian facilities; compliance with the Americans with Disabilities Act of 1990; compliance with the U.S. Secretary of the Interior "Standards and Guidelines, Archaeology and Historic Preservation"; compliance with Section 106 of the National Historic Preservation Act of 1966 and with Section 4(f) of the US DOT Act of 1966; compliance with the Archaeology and Historic Preservation Act of 1974; compliance with the Archaeological Resources Protection Act of 1979 and with the Native American Graves Protection and Repatriation Act, the Georgia Abandoned Cemeteries and Burial Grounds Act of 1991; compliance with the DEPARTMENT's Scenic Byways Designation and Management Program, and with the American Society of Landscape Architect Guidelines; compliance with the Outdoor Advertising Requirements as outlined in the Official Code of Georgia Annotated, Section 32-6-70 et seq. and other standards and guidelines as may be applicable to the PROJECT.

Upon the approval of the right of way plans by the DEPARTMENT, the necessary rights of way for the PROJECT shall be acquired by the SPONSOR. Right of Way acquisition shall be in accordance with Public Law 91-646, the Uniform Relocation Assistance and Real Properties Act of 1970, as amended, and the rules and regulations of the FHWA including, but not limited to, Title 23, United States Code; 23 CFR 710, et. seq., and 49 CFR Part 24, and the rules and regulations of the DEPARTMENT. Failure of the SPONSOR to follow these requirements may result in the loss of Federal funding for the PROJECT and it will be the responsibility of the SPONSOR to make up the loss of that funding. All required right of way shall be obtained and cleared of obstructions, including underground storage tanks, prior to advertising the PROJECT for bids. The SPONSOR shall further be responsible for making all changes to the approved right of way plans, as deemed necessary by the DEPARTMENT, for
whatever reason, as needed to purchase the right of way or to match actual conditions encountered. The SPONSOR shall be responsible for certifying the Right of Way. The SPONSOR further acknowledges that no acquisition of rights of way shall proceed until all applicable archaeological, environmental and historical preservation clearances have been approved.

The SPONSOR shall ensure that all contracts as well as any subcontracts for implementation of the PROJECT shall comply with the Federal and State legal requirements imposed on the DEPARTMENT and any amendments thereeto. The SPONSOR is required and does agree to abide by those provisions governing the DEPARTMENT's authority to contract, specifically, but not limited to Sections 32-2-60 through 32-2-77 of the Official Code of Georgia Annotated; the DEPARTMENT's Rules and Regulations governing the Prequalification of Prospective Bidders, Chapter 672-5; and the DEPARTMENT's "Standard Specifications", 2013 Edition; "Supplemental Specifications Book", current edition; and any Supplemental Specifications and Special Provisions as applicable for the PROJECT.

The SPONSOR further agrees to comply with and shall require the compliance and physical incorporation of Federal Form FHWA-1273 into all contracts or subcontracts for construction.

**ARTICLE II**

**TIME OF PERFORMANCE**

TIME IS OF THE ESSENCE IN THIS AGREEMENT. The SPONSOR shall perform its responsibilities for the PROJECT, commencing on receipt of written "Notice to Proceed" from the DEPARTMENT, and shall complete the PROJECT no later than December 31, 2017. No work on any phase shall begin without a written notice to proceed from the DEPARTMENT. The DEPARTMENT's Notice to Proceed with Construction must be issued within 210 days from the execution date of this contract and the SPONSOR must submit an invoice for reimbursement within 270 days of the execution date of this contract or the contract is terminated without further notice and the funds will be de-obligated.

The work shall be carried on expeditiously, it being understood, however, that this Agreement may be extended or continued in force by mutual consent of the parties and evidenced by a written amendment thereto.

**ARTICLE III**

**CONTINGENT INTEREST**

The DEPARTMENT shall retain a contingent interest in the PROJECT for as long as there continues a Federal interest in the PROJECT as determined by the DEPARTMENT's calculation of the economic life of the PROJECT. Should the work under the Agreement include Federal monies for purchase of real property, the Federal interest, and therefore the DEPARTMENT's contingent interest, shall be perpetual and recorded as described below. Based on the scope of work, as set forth in Exhibit A, WORK PLAN AND
APPLICABLE PHASE, the DEPARTMENT has determined the economic life of the PROJECT to be **Five (5) years** from the date of PROJECT Final Acceptance.

Upon any sale or disposition of the PROJECT or the filing of an application for abandonment of the PROJECT under United States Code (U.S.C.) Title 49 Chapter 109 of all or any part of the PROJECT, the SPONSOR shall repay immediately in full to the DEPARTMENT an amount equal to the Federal Share of the funds involved in the improvement or rehabilitation of such part, segment or entirety of the PROJECT under this Agreement, said Federal Share to be determined in accordance with the DEPARTMENT's determination of the fair market value of the PROJECT at the time of disposition.

The term "any sale or disposition" as used in this Article shall mean any sale, abandonment, or disposition (1) for use not consistent with the purposes for which the Federal Share was originally granted pursuant to the Agreement, or (2) for a use consistent with such purposes wherein the transferee in the sale or disposition does not enter into an assignment and assumption agreement with the owner with respect to the owner's obligation thereunder as if the transferee had been the original owner thereof.

Upon completion of the PROJECT, the SPONSOR shall record in the appropriate land records, if applicable, in a form mutually agreeable to the parties hereto, a notice reciting that the property was improved with Federal assistance under this Agreement and that its use and disposition are subject to the terms of this Agreement. Verification of compliance with this paragraph shall be provided to the DEPARTMENT.

**ARTICLE IV**

**COVENANTS AGAINST CONTINGENT FEES**

The SPONSOR shall comply with all relevant requirements of all Federal, State and local laws. The SPONSOR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the SPONSOR, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the SPONSOR, any fee, commission, percentage, brokerage fee, gifts or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, the DEPARTMENT shall have the right to annul this Agreement without liability, or in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.
ARTICLE V
EMPLOYMENT OF DEPARTMENT'S PERSONNEL

The SPONSOR shall not employ any person or persons in the employ of the DEPARTMENT for any work required by the terms of this Agreement, without the written permission of the DEPARTMENT except as may otherwise be provided for herein.

ARTICLE VI
REVIEW OF WORK

Authorized representatives of the DEPARTMENT and the Federal Highway Administration, ("FHWA"), may at all reasonable times review and inspect the activities and data collected under the terms of this Agreement and any amendments thereto, including but not limited to, all reports, drawing, studies, specifications, estimates, maps and computations prepared by or for the SPONSOR. The DEPARTMENT reserves the right for reviews and acceptance on the part of affected public agencies, railroads and utilities insofar as the interest of each is concerned.

Acceptance shall not relieve the SPONSOR of its professional obligation to correct, at its expense, any of its errors in the work. The DEPARTMENT's review recommendations shall be incorporated into the work activities of the SPONSOR.

The SPONSOR shall keep accurate records in a manner approved by the DEPARTMENT with regard to the use of the property and submit to the DEPARTMENT upon request, such information as is required in order to ensure compliance with this ARTICLE.

ARTICLE VII
RESPONSIBILITY FOR CLAIMS AND LIABILITY

To the extent permitted by law, the SPONSOR shall be responsible for any and all damages to property or persons and shall indemnify and save harmless the DEPARTMENT, its officers, agents and employees from all suits, claims, actions or damages of any nature whatsoever resulting from the negligence of the SPONSOR in the performance of work under this Agreement.

The SPONSOR shall be responsible to perform all work required to obtain all applicable PROJECT permits, including, but not limited to, Cemetery, Tennessee Valley Authority (TVA) and US Army Corps of Engineers permits, Stream Buffer Variances and Federal Emergency Management Agency (FEMA) approvals. The SPONSOR shall provide all mitigation required for the project, including but not limited to permit related mitigation. All mitigation costs are considered PE costs. PROJECT permits and non-construction related mitigation must be obtained and completed 3 months prior to the scheduled let date. These efforts shall be coordinated with the DEPARTMENT.
It is understood by the SPONSOR that claims, damages, losses and expenses may include monetary claims made by the construction contractor for the PROJECT, and its related facilities, that are a result of the SPONSOR’s negligence or improper representation in the plans.

The SPONSOR shall require that the provisions of this Article are included in all contracts and subcontracts.

ARTICLE VIII
COMPENSATION AND PAYMENT

It is agreed that the compensation hereinafter specified includes both direct and indirect costs chargeable to the PROJECT under generally accepted accounting principles and as allowed in the Federal Acquisition Regulations Subpart 31.6, and not prohibited by the Laws of the State of Georgia.

It is understood that the PROJECT is being developed under the guidance of the Innovative Financing Procedures as agreed to by the SPONSOR and as set forth in the executed Memorandum of Understanding on file with the DEPARTMENT. The Innovative Financing Procedures allow the SPONSOR to initiate Preliminary Engineering and Right of Way acquisition and apply allowable expenditures for these Phases toward the required Twenty Percent (20%) Local Match.

The estimated cost of the project is Two Hundred Twenty Nine Thousand Three Hundred Seventy Three and No/100 Dollars ($229,373.00). The DEPARTMENT shall be responsible for eighty percent (80%) of the total cost of the project not to exceed the federal contribution. The SPONSOR shall be responsible for all cost exceeding the DEPARTMENT’s contribution but shall contribute a minimum of twenty percent (20%).

The total federal contribution for this PROJECT is One Hundred Eighty Three Thousand Four Hundred Ninety Eight and 40/100 Dollars ($183,498.40) and is the maximum amount of the DEPARTMENT’s obligation. The SPONSOR shall be solely responsible for any and all amounts in excess of the maximum amount of the DEPARTMENT’s obligation.

Prior to award of the project the SPONSOR shall submit to the DEPARTMENT a bid tabulation, the low bidders DBE goal sheet and their recommendation for awarding the project. The DEPARTMENT will review the information and issue a written recommendation to award or reject the bids. If a recommendation to award is given by the DEPARTMENT a written Notice to Proceed with Construction will be issued. No work shall begin until this Notice to Proceed has been issued.
The SPONSOR shall coordinate right of way activities with the DEPARTMENT’s District Right of Way Engineer and construction activities with the DEPARTMENT’s Area Engineer. In the event the SPONSOR, Right of Way Engineer, or Area Engineer recommend changes representing a fundamental departure from the PROJECT’s approved Work Plan, the changes shall be reviewed by the DEPARTMENT’s Project Manager. If the changes are approved, the DEPARTMENT’s Project Manager shall prepare a supplemental agreement to amend the Agreement’s Work Plan.

The SPONSOR shall submit to the DEPARTMENT monthly reports of the PROJECT’s progress including: monthly accomplishments; further work to be done and any problems encountered or anticipated. Payment shall be made monthly on the basis of calendar months, in proportion to the percentage of work completed for each phase of work and after approval of a certified voucher from the SPONSOR. Should the work for the PROJECT begin within any one month, the first voucher shall cover the partial period from the beginning date of the work through the last day of that month. The vouchers shall be numbered consecutively and submitted each month until work on the PROJECT is completed.

Payment shall be made in the amount of sums earned less previous partial payments. The final invoice shall reflect the actual cost of work accomplished by the SPONSOR and shall be the basis for final payment. The final invoice shall include all eligible cost incurred by the SPONSOR for Preliminary Engineering, Right of Way, and Construction. Final payment will be made at eighty (80) percent of the final invoice amount not to exceed the total federal contribution.

Expense for travel will be an allowable expense for the SPONSOR under this Agreement; however, travel will be limited to charges that are directly attributable to the project. In addition, no travel expenses will be allowed for out of state travel.

Should the DEPARTMENT, pursuant to the provisions of ARTICLE XIV, terminate the work under this agreement, the SPONSOR shall be paid for the percentage of work completed at the point of termination, notwithstanding any just claims by the SPONSOR.

ARTICLE IX
FINAL PAYMENT

IT IS FURTHER AGREED that upon completion and acceptance of the work by the SPONSOR, the SPONSOR shall submit to the DEPARTMENT the "Sponsor's Certification of Right of Way Acquisition form, if necessary, and “Sponsor's Certification of Final Acceptance" form, and the final invoice. The DEPARTMENT shall process the final invoice report initiating the DEPARTMENT’s project close-out procedures. Whereupon the DEPARTMENT shall pay to the SPONSOR a sum equal to one hundred percent (100%) of the total compensation as set forth in ARTICLE VIII, herein, and consistent with all approved invoices, less the total of all previous partial payments, paid or in the process of payment.

The SPONSOR agrees that the acceptance of this final payment shall be in full and final settlement of all claims against the DEPARTMENT, of which the SPONSOR is or, through the exercise of reasonable diligence, should be aware, for work done, material furnished, costs incurred, or otherwise arising out of this Agreement and shall release the DEPARTMENT from any and all further claims of which
the SPONSOR is or, through the exercise of reasonable diligence, should be aware, for and on account of said Agreement, and for any and all work done, and labor and materials furnished in connection with the same.

The SPONSOR shall allow the examination and verification of costs by the DEPARTMENT's representatives, in accordance with the provisions of Article XII, herein. If the DEPARTMENT's examination of the contract cost records, as provided for in Article XII, results in unallowable expenses, the SPONSOR shall immediately be responsible for reimbursing the DEPARTMENT the full amount of such disallowed expenses.

ARTICLE X
RIGHT OF FIRST REFUSAL

A determination by the SPONSOR to sell or dispose of the PROJECT shall entitle the DEPARTMENT to the right of first refusal to purchase or lease the PROJECT at net liquidation value. Such right of first refusal shall be retained for as long as the DEPARTMENT holds a contingent interest in the PROJECT pursuant to Article III of this Agreement.

Should the DEPARTMENT elect to purchase or lease the PROJECT at any time after completion of the PROJECT no compensation shall be provided for the value added as a result of the PROJECT.

ARTICLE XI
SUBSTANTIAL CHANGES

No material changes in the scope, character, complexity or duration of the PROJECT from those required under the Agreement shall be allowed without the execution of a Supplemental Agreement between the DEPARTMENT and SPONSOR.

Minor changes in the work which do not involve increased compensation, extensions of time or changes in the goals and objectives of the PROJECT, may be made by written notification of such change by either party with written approval by the other party.

ARTICLE XII
MAINTENANCE OF CONTRACT COST RECORDS

The SPONSOR shall maintain all books, documents, papers, accounting records and other evidence pertaining to costs incurred on the PROJECT, inclusive of a job cost or project cost report, and used in support of its proposal and shall make such material available at all reasonable times during the period of the Agreement and for three years from the date of final payment under this Agreement, for inspection by the DEPARTMENT, and any reviewing agencies, and copies thereof shall be furnished upon request. The SPONSOR agrees that the
provisions of this Article shall be included in any contracts it may make with any subcontractor, assignee or transferee.

ARTICLE XIII
SUBLETTING, ASSIGNMENT OR TRANSFER

It is understood by the parties to this Agreement that the work of the SPONSOR is considered personal by the DEPARTMENT. The SPONSOR agrees not to assign, sublet or transfer any or all of its interest in this Agreement without prior written approval of the DEPARTMENT.

The DEPARTMENT reserves the right to review all subcontracts prepared in connection with the Agreement, and the SPONSOR agrees that it shall submit to the DEPARTMENT any proposed subcontract documents together with subcontractor cost estimates for review and written concurrence of the DEPARTMENT in advance of their execution.

All subcontracts in the amount of $10,000.00 or more shall include the provisions set forth in this Agreement.

ARTICLE XIV
TERMINATION

The DEPARTMENT reserves the right to terminate this Agreement at any time for any reason, with or without cause upon thirty (30) days written notice to the SPONSOR, notwithstanding any just claims by the SPONSOR for payment for services rendered prior to the date of termination.

It is understood by the parties hereto that should the DEPARTMENT terminate this Agreement prior to the completion of an element of work the SPONSOR shall be reimbursed for such work element based upon the percentage of work completed.

Failure to meet the time set out for completion of an approved work authorization, may be considered just cause for termination of the Agreement.

ARTICLE XV
OWNERSHIP OF DOCUMENTS

The SPONSOR agrees that all reports, drawings, studies, specifications, survey notes, estimates, maps, computations, computer diskettes and printouts and other data prepared by or for it under the terms of this Agreement shall be delivered to, become and remain the property of the DEPARTMENT upon termination or completion of the work. The DEPARTMENT shall have the right to use the same without restriction or limitation and without additional compensation to the SPONSOR other than that provided for in this Agreement.
ARTICLE XVI

Articles, papers, bulletins, data, studies, statistics, interim or final reports, oral transmittals or any other materials reporting the plans, progress, analyses, results, or findings of work conducted under this Agreement shall not be presented publicly or published without prior written approval by the DEPARTMENT.

IT IS FURTHER AGREED that all releases of information, findings, and recommendations shall include a disclaimer provision and that all published reports shall include that disclaimer on the cover and title page in the following form:

"The contents in this publication reflect the views of the author(s), who is (are) responsible for the facts and accuracy of the data presented herein. The opinions, findings, and conclusions in this publication are those of the author(s) and do not necessarily reflect the official views or policies of those of the Department of Transportation, State of Georgia or the Federal Highway Administration. This publication does not constitute a standard, specification or regulation."

IT IS FURTHER AGREED that if any information concerning the PROJECT, its conduct, results or data gathered or processed should be released by the SPONSOR without prior approval from the DEPARTMENT, the release of same shall constitute grounds for termination of this Agreement without indemnity to the SPONSOR; but should any such information be released by the DEPARTMENT, or by the SPONSOR with such prior written approval, the same shall be regarded as public information and no longer subject to the restrictions of this Agreement.

Provided, however, that should the release of such information be required under the Georgia Open Records Act, Section 50-18-70, et.seq., O.C.G.A., the restrictions and penalties set forth herein shall not apply. Any request for information directed to the SPONSOR, pursuant to the Georgia Open Records Act, for documents that are either received or maintained by the SPONSOR in the performance of a service or function for or on behalf of the DEPARTMENT shall be released pursuant to provisions of the Act. Further, the SPONSOR agrees to consult with the DEPARTMENT prior to releasing the requested documents.
