      If LESSEE shall, with the consent of the Commission, hold over after the expiration or sooner termination of the Term of this Agreement, the resulting tenancy and concession privilege shall, unless otherwise mutually agreed, be on a month-to-month basis until such time as LESSEE shall surrender the Premises (with thirty [30] days prior written notice to Commission) or Commission shall re-enter the Leased Premises (with thirty [30] days prior written notice to LESSEE.) During such month-to-month tenancy, LESSEE shall pay rentals to Commission established in accordance with the provisions of this Agreement, and shall be bound by all of the additional provisions of this Agreement insofar as they may be pertinent.

   a. LESSEE shall have the non-exclusive right to operate a City of Savannah police substation or other public safety use at the Airport and an exclusive right to operate from the Premises described above for the conduct of its business at the Airport.
b. During the Term of this Agreement, LESSEE shall have and Commission hereby
gives and grants, the following additional rights:

(1) The right to ingress and egress from its Leased Premises over Airport
roadways, including common use roadways, driveways and public areas, subject to any rules or
regulations which may have been established or shall be established in the future by the
Commission. Such rights of ingress and egress shall apply to LESSEE’s employees, guests,
patrons, invitees, suppliers, and other authorized individuals.

(2) LESSEE has the right to install and maintain appropriate signs at the
Leased Premises provided that the design, installation and maintenance of such signs, shall have
received the advance written approval of the Executive Director of the Commission prior to
installation or modification; whose approval shall not be unreasonably withheld.

(3) LESSEE shall have the right, subject to compliance with the security
requirements herein, to obtain supplies or services from suppliers, vendors or contractors of its
own choice at the Premises, provided that the following conditions must be strictly observed.

(a) All contracts entered into by LESSEE for provision of labor
services at the Premises shall require that labor engaged at the Premises can work in harmony
with other elements of labor employed or to be employed at the Airport and that said labor
comply with Airport rules and regulations.

(b) LESSEE acknowledges Commission’s right to regulate providers
of ground transportation service on the Airport roadway system, including but not limited to, the
requirement that all ground transportation providers enter into operating agreements with the
Commission.

c. Commission covenants that it has lawful authority to execute this Agreement and
that upon payment of the rentals and additional rentals provided herein, and upon performance of
the covenants and agreements on the part of LESSEE to be performed hereunder, LESSEE shall
peacefully have and enjoy the Premises and the rights and privileges granted by this Agreement.

d. In the event that LESSEE is desirous of carrying on activities in addition to those
herein listed as part of its business operations, LESSEE shall do so only upon the express written
approval of Commission.

e. Parking
Reserved parking spaces shall be provided to LESSEE on the site and adjoining sites operated by the COMMISSION by and at the discretion the Commission.

4. **RENTS, FEES AND CHARGES**

In consideration of the rights and privileges to be granted to LESSEE by Commission, the LESSEE shall pay to Commission as compensation therefore, the following fees and charges.

a. Beginning on January 1, 2018, Lessee agrees to pay Commission annual rental fees as follows:

<table>
<thead>
<tr>
<th>Premises</th>
<th>Annual Rent</th>
<th>Monthly</th>
</tr>
</thead>
<tbody>
<tr>
<td>Land and Building</td>
<td>$ 20,000.00</td>
<td>$ 1,666.67</td>
</tr>
</tbody>
</table>

b. Rental payments shall become due and payable monthly in advance, on the first day of each and every month for the Term of this Agreement and any renewals thereof.

c. **Interest and Late Charges**

   (1) Without waiving any other right of action available to the Commission in the event of default in payment of charges and fees hereunder, if the Lessee fails to make a payment when due and said failure continues for a consecutive period of thirty (30) days, a late charge of twenty-five dollars ($25.00) shall be assessed. Late charges may consist of interest and penalties. Thereafter, late charges shall be assessed for each additional thirty (30) day period or portion thereof that the payment is late.

   (2) The interest rate shall be at the rate of eighteen percent (18%) per annum or one and one-half percent (1.5%) per month for Fees that are late. Interest will accrue on a daily rate of 0.0493 percent.

   (3) **Collection Costs**

   Lessee agrees to pay/reimburse the Commission for all costs of collection, including but not limited to attorney’s fees, in the event of default occurring by Lessee for non-payment of rents, fees and charges as stated herein.

   (4) **Rent Abatement for Air Conditioning Replacement**

   The existing air conditioning units at the Premises are in need of repair. The Commission is assessing the condition of these units and will repair them to operating condition, if feasible. However, if repairs are not feasible and/or the units need to be replaced, the Lessee shall bear the cost of replacement and can thereafter deduct 50% of the monthly rent as an
abatement to recover the replacement cost of the units; said replacement cost to be evidenced by
an invoice prepared by a third party certified air conditioning contractor who installs the new
units.

For example, if the air conditioning units are replaced and the replacement cost for the
units is $10,000.00, then Lessee can deduct $833.33 per month (which is 50% of the contract
monthly rental rate) from contract rent as cost abatement for a period of twelve months. The
calculation being $10,000 ÷ $833.33/month = 12 months.

5. MAINTENANCE, REPAIRS AND INSPECTIONS
   a. The Commission shall, at its expense, be responsible for normal preventative
      maintenance for structural maintenance to the building. LESSEE shall be responsible for all
      nonstructural maintenance and repair of the Leased Premises and agrees to maintain the Premises
      (and all leasehold improvements) in a neat, clean and presentable condition.
   b. LESSEE agrees that any damage caused to any property of Commission by any
      act, omission or negligence of LESSEE, its employees, invitees, suppliers or furnishers of
      service shall be repaired and restored to the condition existing prior to damage either (at
      Commission’s election) by LESSEE at LESSEE’s sole expense in accordance with plans and
      specifications approved by Commission, or by Commission, in which case LESSEE shall pay
      Commission, as additional rent, the expenses of repair thereby incurred.
   c. Janitorial Service
      LESSEE agrees to provide, at its own expense, such janitorial and cleaning
      services and supplies as may be necessary or required in the operation and maintenance of its
      Leased Premises. LESSEE also agrees to keep and maintain its Leased Premises in a clean, neat
      and sanitary condition, and attractive in appearance.
   d. Trash Disposal
      As required by the Commission, LESSEE shall provide for the complete removal,
      sanitary handling, and disposal, away from the Airport, of all trash, garbage and other refuse
      resulting from operations on the Leased Premises.
   e. Commission, its authorized employees, agents, contractors, subcontractors, and
      other representatives shall have the right, but not the obligation, at all reasonable times to enter
      upon the Premises, for the following purposes:
1. (1) To inspect the Premises during regular business hours (or at any time in case of emergency) to ascertain the condition of Premises and to determine LESSEE's compliance with the terms of this Agreement. The right of inspection shall impose on Commission no duty to inspect and shall impart no liability upon Commission for failure to inspect.

2. (2) To perform (or arrange to perform) maintenance and repairs and replacements in any event when LESSEE is obligated to do so under this Agreement and has failed to do so within ten (10) days after written notice from Commission, or at any time with or without written notice in the event that Commission in its sole discretion deems that it is necessary or prudent to do so to correct any condition likely to lead to injury or damage; provided, however, that as to any such maintenance, repairs or replacements, LESSEE shall pay Commission's entire cost and expense of performing such work as additional rent to Commission upon written demand.

3. (3) To perform any obligation of Commission under this Agreement.

4. (4) All entries made for the purposes set forth in this Section shall be without abatement of rent and without unreasonable interference with LESSEE's operations.

6. **IMPROVEMENTS AND ALTERATIONS**

a. **General Requirements**

   (1) LESSEE agrees to accept the Premises in an "as is" condition.

   (2) LESSEE shall comply in every respect to applicable statutes, ordinances, building codes, and rules and regulations of all governmental agencies as may have jurisdiction at the time any construction is performed or any improvements are placed upon the Leased Premises by LESSEE. LESSEE shall obtain and provide to Commission copies of all required permits and licenses.

   (3) Prior to the commencement of changes or modifications to the Leased Premises, LESSEE shall submit to the Savannah Airport Commission and the City of Savannah Inspections Department final Plans and Specifications prepared by an architect or engineer registered in the State of Georgia for improvements to be constructed by LESSEE on the Leased Premises, unless otherwise approved in writing by the Commission. It is stipulated that LESSEE shall be responsible for construction of all improvements to Leased Premises necessary to create
and maintain a first-class facility, including without limitation, construction of all utility
improvements and connections within the Leased Premises.

(4) Promptly upon completion of the improvements made to the Premises,
LESSEE shall provide to Commission a set of "as built" drawings and a detailed cost statement
associated with such improvements duly certified by an architect or engineer registered in the
State of Georgia.

(5) LESSEE shall not implement or commence any change in the original
plans and specifications without the express written approval of the Commission. Any request
for change orders to the original plans and specifications shall be submitted for approval to the
Commission prior to the commencement of any work relating to implementation of same. The
Commission shall have the right to approve or disapprove the request for change orders so
submitted, including architectural and aesthetic matters. The Commission shall have the right to
require LESSEE to resubmit change order proposals including plans, specifications, designs and
layout proposals until such meet Commission's approval.

(6) Upon expiration or termination of this Agreement, title to all
improvements, structures, alterations of or additions erected or constructed by LESSEE on the
Premises (excluding trade fixtures, equipment and other personal property which may be
removed without material injury to the Premises) shall automatically vest in the Commission.
Commission reserves the right to require the removal of all improvements from the Leased
Premises and return the Premises to the original condition that LESSEE received it upon
execution of this Agreement, or any part of the improvements made by LESSEE, at LESSEE's
expense. Should LESSEE fail to remove such items, Commission may effect such removal and
LESSEE agrees to pay Commission as additional rent any expenses thereby incurred.

(7) LESSEE acknowledges that, from time to time, Commission may
undertake construction, repair or other activities related to the operation, maintenance and repair
of the terminal and/or the Airport which will require temporary accommodation by LESSEE.
LESSEE agrees to accommodate Commission in such matters, even though LESSEE's own
activities may be inconvenienced or partially impaired, and LESSEE agrees that no liability shall
attach to Commission, its members, employees or agents by reason of such inconvenience or
impairment. Commission shall undertake its construction, repair or other activities in a manner
which shall not unreasonably disrupt LESSEE's business on the Premises.
(8) **Utilities and Other Services**

(a) Commission shall provide the leased space with access to utility services (electricity, heating and air conditioning, and water). LESSEE shall be responsible for the construction and expense of all utility improvements and connections within the leased space. Furthermore, LESSEE shall be responsible for the cost and expense of all utility services used by LESSEE as determined by a separate meter.

(b) LESSEE waives any and all claims against Commission for compensation for any and all loss or damage sustained by reason of any defect, deficiency, or impairment of any utility system.

(c) Commission reserves the right for itself and others to existing utility easements over, under or across the Leased Premises, to grant necessary utility easements therefore, provided that in the exercise of such rights it shall not unreasonably interfere with LESSEE’s use of the Leased Premises, and that it shall repair any damage to the Leased Premises and leasehold improvements caused by Commission as a result of the exercise of such reserved rights. Commission also reserves the right to utilize any existing surface, overhead and underground pipes, pumps, utility lines or hydrant systems on the Leased Premises as are necessary to supply utility service to other portions of the Airport or LESSEE thereon.

(d) Failure to provide utilities, or heating or air conditioning services specified in the foregoing paragraphs shall not constitute a failure to furnish such services if such failure is beyond its control and is not attributable to the negligence or willful misconduct of Commission, its employees, agents or contractors.

7. **DAMAGE AND DESTRUCTION**

a. **Leased Premises**

(1) In the event that structural or permanent portions of the Leased Premises (other than improvements made by LESSEE) shall be partially damaged by fire or other casualty, LESSEE shall give immediate notice thereof to Commission and the same shall be repaired at the expense of Commission without unreasonable delay, unless Commission determines that the damage is so extensive that repair or rebuilding is not feasible and unless such damage is caused by the sole negligence of the LESSEE, in which case the total expense of repair or rebuilding would be the responsibility of the LESSEE. From the date of such casualty until said area is so...
repaired, monthly payments hereunder shall abate, except as provided for in Paragraph c. of this Section, in such amount as may be reasonably determined by Commission; provided, however, that if the Premises shall be so slightly damaged in any such casualty as not to be rendered unfit for occupancy, the rent hereunder shall not cease or be abated during any repair period.

(2) In the event that the damage to the Premises shall be so extensive as to render it untenable, the rent for said Premises shall cease until such time that the Premises shall again be put in repair, but in the event of the Premises being damaged by fire or other casualty to such an extent as to render it necessary in the exclusive judgment of Commission not to rebuild the same, then, at the option of Commission or LESSEE, and upon thirty (30) days written notice to the other, this Agreement as it applies to said Premises shall cease and come to an end, and the rent hereunder shall be apportioned and paid up to date of such damage. If Commission elects to rebuild said Premises, Commission shall notify LESSEE of such intention within thirty (30) days of the date of the damage, otherwise, the Agreement as it applies to the Premises shall be deemed canceled and of no further force or effect. Commission’s obligation to rebuild or repair under this Paragraph shall in any event be limited to restoring said area to substantially the condition that existed prior to the commencement of improvements by LESSEE and shall further be limited to the extent of the insurance proceeds available to Commission for such restoration. LESSEE agrees that if Commission elects to totally repair or rebuild as provided in this paragraph, then LESSEE shall proceed with reasonable diligence and at its sole cost and expense (unless such damage is caused by the sole negligence of Commission) to rebuild, repair, and restore, its signs, fixtures, furnishings, equipment, improvements and other items provided, installed or constructed by LESSEE, in or about the Leased Premises in a manner and to a condition at least equal to that which existed prior to its damage or destruction.

b. Abatement of Rent

Commission has relied upon LESSEE to provide its own business interruption and rent insurance to cover the Premises and the loss to LESSEE of any improvements and other property situated thereon. Therefore, there shall be no abatement of rent pending repairs or rebuilding to the same in any event where such damage or destruction of the Premises or improvement made thereon was caused by the negligence of LESSEE.

8. INSURANCE AND INDEMNIFICATION
LESSEE is self-insured and will provide evidence of self-insurance.

d. Commission shall not be liable for any damage to LESSEE’s property from any cause unless solely caused by fault or negligence of Commission and LESSEE waives all claims against Commission for damage to persons or property arising for any reason, unless solely caused by fault or negligence of Commission.

e. All insurance policies shall contain a standard cross-liability provision and shall stipulate that no insurance held by Commission will be called upon to contribute to a loss covered thereunder. Commission shall have no liability for any premiums charged for such coverage, and the inclusion of Commission as an additional insured is not intended to, and shall not, make Commission a partner or joint venture partner with LESSEE in LESSEE’s operations on the Leased Premises. Such policies shall also insure LESSEE against the risks to which it is exposed as the LESSEE of the business authorized under this Agreement, and shall be for full coverage with any deductibles and/or retentions subject to approval by Commission and shall contain provisions on the part of the respective insurers waiving the right of such insurers to subrogation.

f. The Commission reserves the right to periodically review the insurance provisions stated herein and reserves the right to modify the insurance coverage under this Agreement.

g. Indemnification

To the extent permissible by law and without waiver of sovereign immunity, LESSEE shall protect, defend, and indemnify Commission and its officers, agents and employees from and against any and all liabilities, losses, suits, claims, judgments, fines or demands arising by reason of injury or death of any person, or damage to any property, including all reasonable costs for investigation and defense thereof (including but not limited to attorney fees, court costs, and expert fees), of any nature whatsoever arising out of or incident to this Agreement and/or the use or occupancy of the Leased Premises or the acts or omissions of LESSEE’s officers, agents, employees, contractors, subcontractors, licensees, or invitees, regardless of where the injury, death or damage may occur, unless such injury, death or damage is caused by the sole negligence of the Commission. The Commission shall give to LESSEE reasonable notice of any such claims or actions. LESSEE shall also use counsel reasonably acceptable to Commission in carrying out its obligations hereunder. The provisions of this section shall survive the expiration or early termination of this
9. CANCELLATION PROVISIONS

a. Commission's Right to Cancellation

The Commission shall have the right to terminate this Agreement in its entirety immediately if one or more of the following events of default occur by LESSEE:

(1) If LESSEE shall neglect or fail to perform or observe any of the terms, provisions, conditions or covenants herein contained and if such neglect or failure shall continue for a period of thirty (30) days after receipt by LESSEE of written notice from Commission of such neglect or failure or, if more than thirty (30) days shall be required to cure the default because of its nature, if LESSEE shall fail within said thirty (30) day period to commence and thereafter diligently proceed to cure such default; or,

(2) The taking by a court of competent jurisdiction of LESSEE and its assets pursuant to proceedings under the provisions of any Federal or State reorganization or bankruptcy Code or Act.

(3) The occurrence of any act which deprives the LESSEE of the rights, licenses, permits, and authorizations necessary for the proper and lawful conduct of the LESSEE’s services.

(4) If LESSEE shall abandon all or any part of its Leased Premises or shall discontinue the conduct of its operations in all or any part of its Leased Premises.

b. LESSEE's Right to Cancellation

The LESSEE shall have the right to terminate this Agreement in its entirety upon thirty (30) days written notice to the Commission if one or more of the following events of default occur by Commission:

(1) The issuance by any court of competent jurisdiction of any injunction preventing or restraining the use of Airport in such a manner as to substantially restrict LESSEE from conducting its operations not caused by any act or omission of LESSEE and the remaining in force of such injunction for at least sixty (60) days.

(2) If for any reason LESSEE is deprived of the Airport or a major portion of LESSEE’s Leased Premises for thirty (30) consecutive days or more.
(3) The assumption by the United States Government and the authorized agencies thereof, or any other governmental agency, of the operation, control, or use of the Airport facilities, or any substantial part or parts thereof in such a manner as to substantially restrict for a period of thirty (30) days or more the conduct of the LESSEE's business thereto.

(4) A breach by the Commission of any of the terms and covenants or conditions within this Agreement, and the failure of the Commission to remedy such breach, for a period of thirty (30) days after receipt of written notice from the LESSEE of the existence of such breach.

10. **SURRENDER OF OCCUPANCY**

a. When this Agreement expires or is terminated in whole or in part as provided for elsewhere in this Agreement, the LESSEE shall surrender its Leased Premises and Fixed Improvements and Operating Facilities therein in a state of good repair, with the exception of reasonable wear and tear and damage by loss or casualty not covered by insurance which the LESSEE is required to maintain pursuant to this Agreement and not otherwise attributable to the LESSEE's fault or negligence.

b. The LESSEE shall be deemed to have abandoned to the Commission any property which it has failed to remove from its Leased Premises within fifteen (15) calendar days after the end of the Term of this Agreement or the effective date of termination thereof, unless the Commission grants additional time for this purpose in writing. After the expiration of the fifteen (15) day period, or any extension thereof granted by Commission, the Commission shall have the right to remove the property and restore the area to a satisfactory condition and hold the LESSEE liable for all costs incident thereto. In the event it is necessary for the Commission to remove such property, the Commission shall not sustain or be charged with any liability by reason of the removal or custodial care of the same.

11. **ASSIGNMENT AND SUBLETTING**

The LESSEE shall not transfer or assign this Agreement, or any part hereof, or interest herein, or sublease any of the Leased Premises hereunder, except with the prior written approval of the Commission and subject to whatever reasonable limitations and conditions that are required by Commission. Any other attempted transfer, assignment or sublease shall be void and
shall confer no rights upon any third person. No assignment or sublease shall relieve the
LESSEE of any obligation under this Agreement unless otherwise agreed by the Commission.
Notwithstanding the foregoing, this section shall not be interpreted to preclude the assignment of
this Agreement to a parent, subsidiary, or merged company, if such parent, subsidiary, or merged
company assumes all rights and obligations of this Agreement. Written notice of such
assumption shall be provided to the Commission by the parent, subsidiary, or merged company
thirty (30) days prior to the effective date of such assignment.

12. GOVERNMENT REQUIREMENTS
   a. Agreements with the United States Government
      This Agreement is subject and subordinate to the provisions of any agreements
      heretofore or hereafter made between the Commission and the United States Government, the
      execution of which is required to enable or permit transfer of rights or property to Commission
      for Airport purposes or expenditure of federal funds for Airport improvement, maintenance or
development. LESSEE shall abide by requirements of agreements entered into between the
      Commission and the United States Government, and shall consent to amendments and
      modifications of this Agreement if required by such agreements or if required as a condition of
      Commission's entry into such agreements, provided however that if any modification to said
      Agreement with the United States Government has a material or adverse impact on the
      operations of the LESSEE, the LESSEE shall have the right to cancel this Agreement upon
      ninety (90) days written notice.
   b. Nondiscrimination
      LESSEE hereby agrees to comply with the following requirements as they pertain
to LESSEE's operations from Airport.
      (1) LESSEE for itself, its heirs, personal representatives, successors in
      interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a
covenant running with the land that in the event facilities are constructed, maintained, or
otherwise operated on the said Premises described in this Agreement for a purpose for which a
Department of Transportation program or activity is extended or for another purpose involving
the provision of similar services or benefits, LESSEE shall maintain and operate such facilities
and services in compliance with all other requirements imposed pursuant to Title 49, Code of
Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

(2) LESSEE for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (a) no person on the basis of race, creed, color, sex, national origin, ancestry, age or handicap shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (b) that in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the basis of race, creed, color, sex, national origin, ancestry, age or handicap shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, and (c) that LESSEE shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary Part 21, NON-DISCRIMINATION in Federally-assisted Programs of the Department of Transportation Effectuation of Title VI of the Civil Rights Act of 1964 and as said regulation may be amended.

(3) In the event of breach of the nondiscrimination covenants contained herein, Commission shall have the right to terminate this Agreement and to re-enter and repossess said Premises and the facilities thereon and hold the same as if said Agreement had never been entered into or executed between Commission and LESSEE. This provision shall not be effective until the procedures of Title 49, Code of Federal regulations, Part 21, are followed and completed, including exercise or expiration of appeal rights.

(4) LESSEE assures that it will undertake an Affirmative Action Program, if required by 14 Code of Federal Regulations Part 152, Subpart E, to ensure that no person shall on the grounds of race, creed, color, national origin, or sex, be excluded from participating in any employment activities covered thereby. LESSEE assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. LESSEE assures that it will require that its covered suborganizations provide assurances to Commission that they similarly will undertake Affirmative
Action Programs and that they will require assurances from such LESSEE and users, if required by 14 Code of Federal Regulations Part 152, Subpart E, to the same effect.

(5) Notwithstanding the above, LESSEE shall comply with and shall ensure that the following Non-Discrimination clause is inserted in all subcontracts, subleases, and other agreements at all tiers:

“The contractor/tenant/Lessee/LESSEE assures that it will comply with pertinent statutes, Executive Orders and such rules as are promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or handicap be excluded from participating in any activity conducted with or benefiting from Federal assistance. This Provision obligates the tenant/Lessee/LESSEE or its transferee for the period during which Federal assistance is extended to the airport program, except where Federal assistance is to provide, or is in the form of personal property or real property or interest therein or structures or improvements thereon. In these cases, the Provision obligates the party or any transferee for the longer of the following periods: (a) the period during which the property is used by the sponsor or any transferee for a purpose for which Federal assistance is extended, or for another purpose involving the provision or similar services or benefits; or (b) the period during which the airport sponsor or any transferee retains ownership or possession of the property. In the case of contractors, this Provision binds the contractors for the bid solicitation period through the completion of the contract.”

c. Airport Safety/Security

(1) LESSEE shall observe all safety/security requirements of Federal Aviation Regulations, Transportation Security Regulations and Airport Security Program, applicable parts, as the same may be from time to time amended, which will be furnished to LESSEE as approved by the Federal Aviation Administration and/or Transportation Security Administration, and to take such steps as may be necessary or directed by Commission to ensure that sub-LESSEEs, employees, invitees, and guests observe these requirements.

(2) If Commission incurs any fines and/or penalties imposed by federal, state or other governmental agencies any expense in enforcing the regulations of Federal Aviation Regulations, Transportation Security Administration and/or Airport Security Program, as a result of the acts or omissions of LESSEE, LESSEE agrees to pay and/or reimburse all such costs and expense. LESSEE further agrees to rectify any deficiency as may be determined by such federal,
state or other governmental agency. Commission reserves the right to take whatever action necessary to rectify any security deficiency, in the event LESSEE fails to remedy the security deficiency.

d. Disadvantaged Business Enterprise

(2) In accordance with Regulations of the U.S. Department of Transportation, 49 CFR 23, and 49 CFR Part 26, the Commission has implemented a Disadvantaged Business Enterprise (DBE) concession plan under which qualified firms may have the opportunity to operate an Airport business. A DBE goal, as measured by total estimated annual gross receipts, shall be established for this Concession Agreement. The LESSEE shall take all necessary and reasonable steps to achieve this goal.

(3) DBE participation may be in the form of one or more subleases, joint ventures, partnerships, or other legal arrangement meeting the eligibility standards in 49 CFR Part 23, and 49 CFR Part 26. In the event that the LESSEE qualifies as a DBE, the goal shall be deemed to have been met.

(4) The LESSEE shall be required to submit information concerning the DBE firm(s) which will participate in this concession, including the name and address of each firm, the annual estimated gross receipts to be earned by each name firm, a description of the legal arrangement(s) to be utilized, and the total overall estimated annual gross receipts to be earned by the concession.

(5) If the LESSEE is unable to achieve the DBE established goal, it shall be required to provide documentation demonstrating that it took all necessary and reasonable steps in attempting to do so, or that it is not economically feasible at this time to enter into either a joint venture, sublease, partnership, or other eligible arrangement with a DBE firm. The requirements of this paragraph are not intended to force the LESSEE to change its business structure.

(6) To comply with the DBE requirements herein, the LESSEE may use or obtain the services, goods and products from Disadvantaged Business Enterprises (DBEs) as allowed by 49 CFR, Part 23, and 49 CFR Part 26 and certified by the Commission. To accomplish this, the LESSEE agrees that for each year during this Agreement, the value of the
LESSEE’s aggregate purchases of services, goods, and products from DBEs will equal or exceed the DBE participation requirements as defined in 49 CFR, Part 23, and 49 CFR Part 26, of the LESSEE’s total Gross Receipts at the Airport. In order to assure compliance with the foregoing DBE requirements, the LESSEE agrees to the following:
