**EVENT NO. 6207**

**SPECIFICATIONS AND SPECIAL CONDITIONS**

- 4.0 The purpose of these specifications is to describe requirements for furniture for the exterior areas of the Savannah Cultural Arts Center.

To submit pricing electronically for this event, enter pricing for each line item shown under the lines tab on the event summary. To enter pricing manually, complete the attached bid proposal form. Manually submitted bids must be submitted on the bid proposal forms contained in these specifications in order to be considered. Attachment 1 with the itemized price list must be submitted with a bid to be further considered.

A pre-bid conference has been scheduled to be conducted at the Purchasing Office, 1375 Chatham Parkway, 2<sup>nd</sup> floor, Savannah, Georgia 31405. This meeting will allow contractors to discuss the specifications and resolve any questions and/or misunderstandings that may arise with City staff. You are invited to attend.

- 4.1 The Savannah Cultural Arts Center (SCAC) is currently being constructed near the corner of Martin Luther King Jr. Boulevard and Oglethorpe Avenue. When completed, it will be the finest example of a working environment for artists and craftsmen in Coastal Georgia. As such, its furnishings and equipment will be crucial to its lasting success. Communications and Information Technology will be furnished and installed by others. All work will be coordinated by representatives of the City of Savannah and Gunn Meyerhoff Shay Architects (GMSHay). Ultimate responsibility for a complete and final installation will be that of the selected vendor.

4.2 Schedule

4.2.1 The SCAC will be substantially complete by September 1, 2018. The general contractor (GC), MBKahn/Polote, will be performing final project punch list completion after that time, but will not be contractually responsible for repairs and touch up to work of its contract due to installation of furnishings. The entire premises will be documented photographically by an independent contractor, Multivista, prior and subsequent to furnishings and equipment installation.

4.2.2 Installation of furnishings and equipment is scheduled to occur between September 15 and November 1, 2018. Exact dates will be provided by the City as soon as substantial completion is achieved by the GC. Successful bidder(s) will not be permitted to store any furnishings, equipment, materials, tools, or packaging on site until installation work begins with a notice of commencement. After that notice, bidder(s) will be limited to the immediate areas of their focus. No general storage on the premises or on site is permitted. Parking for loading and unloading will be provided on the Turner Street side of the building. All work including installation, cleaning, removal of packaging and waste, and punch list item must be fully completed by no later than November 1, and in order to receive final payment. This date may be extended solely at the City of Savannah's discretion.

4.3 General and Supplementary General Conditions

4.3.1 Work of this contract will be in strict accordance with the provisions of AIA Document A251-2007 General Conditions of the Contract for Furniture, Furnishings, and Equipment, and included hereinafter. All prospective bidders, by submitting a bid, fully acknowledge that they have read this document and understand its provisions.

- 4.3.2 All successful bidders will be required to provide evidence of the following insurance coverages in the form of an active Certificate of Insurance from a reputable insurance company with the Mayor and Aldermen of the City of Savannah listed as an additional insured:
- Workman's Comp: statutory limits.
  - Automobile and truck: \$1,000,000 per occurrence.
  - Comprehensive General (Umbrella) Liability: \$1,000,000 per occurrence.
  - Contractual Liability: \$1,000,000 per occurrence.
  - All other listed coverages: \$1,000,000 per occurrence.

#### 4.4 Procurement

Procurement will be in strict accordance with the City of Savannah's purchasing requirements and these drawings and specifications. Any discrepancies between requirements will be interpreted by the strictest requirement in either resource. All design related interpretations will be by GMSHay and will be final. The selected furnishings and equipment are listed as the preferred basis-of-design items, with all manufacturers, model numbers, general sizes, locations, and color/materiality listed. Each of these items also allows an or equal provision. Final decision on this equivalence will be made by GMSHay and the City, based upon a complete submittal of both the specified basis-of-design item and the proposed equivalent item, properly itemized, and submitted prior to the date for final questions posted by the City of Savannah's Purchasing Department. All equals will be posted in the final addendum by the City of Savannah. No substitutions after award of contract will be approved, except in case of unforeseeable conditions, and at the mutual discretion of GMSHay and the City of Savannah. Bidders/vendors must bid on every item included in each bid package. Partial bids will not be accepted.

#### 4.5 Installation

- 4.3.1 Within seven (7) calendar days from award of contract, the successful package vendors will be responsible for furnishing GMSHay with three (3) three-ring binders containing an itemized list of every item of furnishing and equipment to be provided, plus a tabbed folder for each item showing the specific item(s), size, color, materiality, a photograph, or other image of the actual item, installation instructions if any, and a shop drawing if composed of multiple parts and pieces. This Submittal will be reviewed and approved by GMSHay within fourteen (14) calendar days, or rejected and returned. Partial submittals will not be reviewed. Vendors may not install any furnishings or equipment until their Submittal is approved.
- 4.3.2 Delays in obtaining this approval which delay installation beyond the schedule shall not be a basis for a valid claim for additional time or compensation.
- 4.3.3 The successful vendor for each package shall be responsible for procurement, storage, delivery, installation, removal of all crating and packaging, clean up of premises, and disposal of all waste in a legal manner. Additionally, the successful vendor will be responsible for working with GMSHay to prepare a punch list of all items to be repaired, replaced or otherwise made complete. Any damages to the existing premises by the vendor's installers will be the sole responsibility of the vendor to replace or repair to GMSHay's satisfaction.

**SECTION 01310  
DISADVANTAGED BUSINESS EMPLOYMENT PROVISIONS**

The City of Savannah actively encourages employment and participation of small and disadvantaged businesses in all City contracts. Attention of the bidders is called to contract conditions contained herein pertaining to non-discrimination, equal employment opportunity, subcontracts, and opportunities for project area residents.

It is the policy of the City of Savannah that disadvantaged business enterprises (DBEs) be given fair opportunity to participate in the performance of services for the City, and that prime contractors utilize DBE subcontractors and suppliers to the fullest extent possible consistent with the efficient performance of the contract. The City of Savannah has not established a DBE goal; however, DBE participation is encouraged wherever possible.

In order to determine compliance, bidders shall **submit the following completed documents in a separate sealed envelope** clearly marked with the bid number, project name and number and **marked (Section 1310 Disadvantaged Business Employment Provisions)** with their bid:

1. Non-discrimination statement (Sec. 01310-3) and;
2. Proposed schedule of disadvantaged business enterprise participation (Sec. 01310-4)  
and;
3. Documentation of Good Faith Efforts [**Submit only if the goals are not met.**]

**Failure to submit the required documents shall result in the bid not being read or considered.**

Suggestions to help meet the goal:

- ✓ Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation of DBEs.
- ✓ Advertising in general circulation media, trade association publications, or disadvantaged business enterprise media to solicit bids from DBE subcontractors or suppliers. **[Advertisement should appear at least 10 days prior to bid due date, unless the City's solicitation period is shortened.]**
- ✓ Designating portions of the work for DBE subcontracting in trades with established availability of DBE subcontractors.
- ✓ Providing a minimum of 10 days notice prior to the Bid due date to DBEs when requesting bids or proposals for furnishing material or services as a subcontractor or supplier.

Any attempt to submit false information, will result in a recommendation that the bidder be debarred from participating in future City contracts.

The contractor is required to fulfill any DBE utilization commitments made unless good cause is demonstrated for any failure to fulfill such commitment. **Written approval is required prior to**

**any substitution.**

The contractor will maintain records and information necessary to document compliance with Good Faith Effort requirements, and the City shall have the right to inspect such records.

Any DBE listed in the completed form entitled "Proposed Schedule of DBE Participation" (Section 01310-4) must be certified by an approved agency such as USDOT, GDOT, or SBA 8(a) prior to the due date of this bid. Proof of DBE certification such as a certificate or letter from the certifying agency is required to accompany the bid. A firm that has submitted an application for DBE certification or an application for DBE certification under review but has not been certified is not qualified as a certified DBE and will not be recognized as such during the City's evaluation process.

No bidder shall enter into an agreement with any DBE that would in any way limit the DBE's opportunities to sell to, or act as subcontractor for, any other party. Violation of this requirement would be grounds to deem the bidder non-responsive to this bid solicitation.

O.C.G.A. § 50-36-1, requires Georgia’s cities to comply with the federal **Systematic Alien Verification for Entitlements (SAVE) Program**. SAVE is a federal program used to verify that applicants for certain “public benefits” are legally present in the United States. Contracts with the City are considered “public benefits.” Therefore, the successful bidder will be required to provide the Affidavit Verifying Status for City of Savannah Benefit Application prior to receiving any City contract. The affidavit is included as part of this bid package but is only required of the successful bidder.
