NOTES		
<p>Notification of emergency purchase of installation of four chlorinators from ES2 Environmental Systems in the amount of \$48,985. The chlorinators were used by the Public Works and Water Resources Department to replace two existing chlorinators that were worn and unable to distribute the proper amount of chlorine for higher water demands. The installation of the new chlorinators will allow the Supply and Treatment Unit to continue to meet State and Federal water requirements by properly disinfecting the drinking water. This is an emergency purchase because the chlorinators need to be operable per the State and Federal Water requirements. This vendor was selected because it was the first available vendor to immediately respond. Delivery: Immediately. Terms: Net 30 days. The vendor was:</p> <p>E.P.
