Description of Work

We propose to furnish and install the labor, materials, tools and supervision to perform the following work on the six (6) hydraulic elevators listed below:

Elevator #6, Elevator #7, Elevator #8, Elevator #10, Elevator #11, Elevator #14

Convert the Obsolete Schindler QKS Door Operator on each of the above elevators with a GAL MOVFE Operator. This is a proactive upgrade to prevent extended downtime should the door operator fail.

Price per elevator \$14,484.00

Our total price to perform the above-mentioned work on all six (6) elevators listed above amounts to: \$86,904.00

Our price includes applicable labor, material and permit fees. This proposal is not binding on KONE until approved by an authorized KONE representative. Pricing is subject to KONE's attached Terms and Conditions for tendered repairs and, by signing below, Purchaser hereby agrees to these Terms and Conditions. Price is valid for 30 days from the date of this proposal. All work will be performed during normal working hours of the elevator trade (Monday – Friday 8am to 4:30pm). A 50% down payment will be invoiced with acceptance of this proposal.

The agreed delivery times for the project may need to be extended because of delays caused by measures undertaken to stop the spreading of the Coronavirus (2019-nCoV) epidemic, such as mandatory holiday extensions and transportation restrictions imposed by authorities in China and other countries, and the availability of personnel, logistics providers and supply chains, due to the epidemic.

ACCEPTANCE: The foregoing Agreement is hereby signed and accepted in duplicate on behalf of Savannah Hilton Head International Airport

Respectfully submitted by,
KONE Inc.
