R E C I T A L S :

WHEREAS, Developer desires to develop and construct on behalf of DSA an approximately 700-space parking garage and related improvements (the “**Public Parking Garage**”) on a parcel of land in Savannah River Landing, located in Savannah, Chatham County, Georgia and as more particularly described on Exhibit A attached hereto and incorporated herein;

WHEREAS, pursuant to that certain Development Management Agreement of even date herewith (the “**Development Management Agreement**”), DSA and the Mayor and Aldermen of the City of Savannah (the “**City**”) have engaged Developer to serve as the development manager with respect to the construction of the Public Parking Garage;

WHEREAS, as contemplated in the Development Management Agreement, Developer has entered into a Standard Form of Agreement Between Owner and Contractor dated _____, 2018 (the “**Construction Contract**”) with Choate Construction Company (the “**GC**”) for the construction of the Public Parking Garage and the other portions of the Phase 1 Project;

WHEREAS, the Construction Contract includes a separate construction budget (the “**Parking Garage Budget**”) identifying costs and expenses relating solely to the Public Parking Garage (as distinguished from the other portions of the Phase 1 Project, such as the multifamily apartments and the retail spaces);

WHEREAS, DSA has agreed to finance the design and construction of the Public Parking Garage based upon the Parking Garage Budget through the issue of its Taxable Revenue Bonds (City of Savannah SRL Parking Garage Project), Series 2018, in the original principal sum not to exceed \$33,000,000.00 (the “**Bonds**”);

WHEREAS, DSA has agreed to advance the proceeds of the Bonds to Developer for the construction of the Public Parking Garage from time to time and on terms and conditions more particularly set forth herein; and

WHEREAS, DSA and Developer desire to memorialize their agreements for the disbursement of the proceeds from the Bonds in order to finance the construction of the Public Parking Garage.

W I T N E S S E T H :

NOW THEREFORE, and in consideration of Ten Dollars and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. **Recitals.** The Recitals are incorporated herein by this reference as if set out in full for all purposes.

2. **Purpose.** Developer shall apply for disbursements of the proceeds of the Bonds in accordance with the terms of this Agreement from DSA from time to time in order to finance the construction of the Public Parking Garage. Upon compliance with the terms of this Agreement, DSA shall disburse the proceeds of the Bonds in accordance with each request for disbursement submitted by Developer from time to time (each, a “**Disbursement Request**”).

3. **Procedures for Disbursement.** Each Disbursement Request submitted by Developer to DSA shall be in accordance with the following procedures and deliveries:

(a) **Form of Disbursement Request.** To initiate each Disbursement Request, Developer shall prepare an Owner’s Affidavit and Requisition for Funds in the form attached hereto as Schedule E-1, which shall be accompanied by a summary of the Parking Garage Budget, updating Public Parking Garage sources and uses to such date prepared in accordance with the form attached hereto as Schedule E-3, and attaching thereto (i) a list of all Public Parking Garage construction hard and soft costs payable pursuant to such Disbursement Request; and (ii) invoices for all such costs submitted for payment with a Disbursement Request.

(b) **GC’s Requisition.** With each Disbursement Request, Developer shall submit to DSA an Affidavit and Requisition for Funds from the GC in the form attached hereto as Schedule E-2, accompanied by a signed and notarized AIA G702: Application and Certification for Payment (1992) cover page summarizing the entire Public Parking Garage costs, with individual AIA G703: Attached Detail Supporting G702 (1992) continuation sheets, or equivalent documentation acceptable to DSA (collectively, the “**GC’s Requisition**”).

(c) **Architect Approval.** With each Disbursement Request, Developer shall submit to DSA a review and approval of the GC’s Requisition by Developer’s Architect, which shall be evidenced by the Architect’s execution of an AIA G702: Application and Certification for Payment (1992) or equivalent documentation acceptable to DSA (“**Certified GC’s Requisition**”).

(d) **Use of Proceeds.** With each Disbursement Request, Developer shall certify that the proceeds of the requested disbursement shall be used only for the payment or reimbursement of the items described in the Disbursement Request and represented by the invoices or other appropriate documentation submitted in connection with such Disbursement Request, which costs, expenses and fees have been actually incurred by Developer, are directly connected with the construction of the Public Parking Garage and are included in the Parking Garage Budget.

(e) **Satisfaction of DSA.** Developer shall furnish copies of all the preceding, together with the deliveries identified in Section 4 below, all in form and substance reasonably satisfactory to DSA.

(f) **Frequency.** Developer may not submit a Disbursement Request more frequently than monthly.

(g) Advance of Funds. DSA shall advance by wire transfer into the designated account of Developer the amount of each Disbursement Request within twenty (20) days of receipt thereof.

4. **Supporting Documentation**. With each Disbursement Request, Developer shall provide DSA with the following:

(a) Unconditional Lien Waivers. Unconditional lien waivers for all sums disbursed in the prior month by the GC to its subcontractors in substantially the form attached hereto as Schedule E-4. Lien waivers from subcontractors' suppliers shall be provided during the sixty (60) day period following the disbursement to the GC from which such suppliers were to be paid. The lien waivers shall set forth the amounts to be received from said disbursements, the official capacity of the signatory to the waivers, the name and address of the Public Parking Garage, and be properly acknowledged. Each such lien waiver, whether partial or final, must set forth that all lien rights are waived with respect to the total amount disbursed up to and including the last date upon which labor or material was supplied and for which payment was made.

(b) Conditional Lien Waivers. Current lien waivers in a form approved by the title company issuing interim mechanic's lien coverage to the DSA with respect to the Public Parking Garage (the "**Title Company**") and acceptable to DSA (in its reasonable discretion), the preferred form of which is attached hereto as Schedule E-5, executed by the GC and each subcontractor receiving payment in connection with the then applicable disbursement conditioned only upon payment of the amounts set forth on such lien waivers.

(c) Supporting Documentation. Statements, waivers, affidavits, supporting waivers, invoices, evidence of bonding, schedules of values and releases for the purposes of issuing interim mechanic's lien coverage to the DSA, all in form and substance satisfactory to the Title Company and acceptable to DSA in its reasonable discretion.

(d) Construction Schedule and Change Order Log. An updated construction schedule and an updated potential change order (PCO) log, if any.

(e) Other Information. Such other relevant and customary information as may be reasonably requested by DSA.

5. **Storage for Off-Site Materials**. To the extent a Disbursement Request is for materials to be stored off-site and not immediately incorporated into the Public Parking Garage, such disbursement shall be conditioned upon satisfaction of the following:

(a) Identification of Materials. Materials requested on a current or first-time basis should be shown as Stored Materials on an AIA G703 attached to the AIA G702 summary sheet (as such form may be modified by Developer), and included on the stored materials log.

(b) Inventory. Developer will provide an inventory describing the quantity and cost of the stored materials, along with copies of related bills of sale, invoices, receipts, delivery tickets, and bills of lading demonstrating that Developer has good title to the stored materials free of any encumbrances.

(c) Secure Storage. If requested by DSA, Developer will provide satisfactory evidence that the place of off-site storage for such stored materials is in a secure location in a warehouse or secured yard with security measures reasonably satisfactory to DSA.

(d) Segregation; Labels. All off-site stored materials shall be physically segregated and shall be clearly labeled with the name of the Public Parking Garage to the extent reasonable and customary for materials of such type; and if requested by DSA, pictures of such stored materials at the warehouse or secured yard shall be furnished together with a certificate of hazard insurance sufficient in form and content satisfactory to DSA.

(e) Inspection by Testing Authority. Upon reasonable prior notice from DSA, Developer shall provide any applicable governmental agency or testing authority having jurisdiction over the Public Parking Garage with access to inspect, test or otherwise examine the stored materials.

(f) Access; Right to Remove. The storage of off-site materials in a warehouse shall be pursuant to written contract between Developer and the warehouseman, providing reasonable and customary access and the right to remove the stored materials. Furthermore, to the extent requested by DSA, Developer shall also provide copies of UCC searches against Developer, the materials vendor, the GC, and the warehouseman, if applicable, indicating no liens or claims which may affect the stored materials.

6. **Final Disbursement: Retainage**. With respect to any Disbursement Request containing a request to release retainage (which shall be governed by the terms and conditions set forth in the Construction Contract relating to retainage), Developer shall also submit the following to DSA:

(a) Permanent Certificate of Occupancy. Receipt of evidence reasonably acceptable to the DSA that the public authorities with jurisdiction over the Public Parking Garage have approved the Public Parking Garage in its entirety for permanent occupancy to the extent any such approval is a condition of the lawful use and occupancy of the Public Parking Garage.

(b) Certificate of Substantial Completion. Receipt of a fully executed AIA G704 Certificate of Substantial Completion or equivalent documentation from the Architect and all available punch lists.

If such Disbursement Request would effectively close out the Construction Contract, the following shall be furnished in addition to the preceding:

(c) No Punch List. Receipt of confirmation from Developer that the Public Parking Garage is complete with no outstanding punch list items.

(d) Final GC's Requisition. A Certified GC's Requisition covering 100% of the construction contract sum, if not set forth in the G704 and final affidavit and lien waivers.

(e) As-Built Drawings. Receipt of a complete set of "as-built" drawings.

(f) Final Affidavit of Payment; Final Lien Waivers. Within fifteen (15) days of the final payment to the GC, (A) receipt of (i) a notarized GC's Affidavit of Payment of Debts and Claims from such GC, and (ii) a notarized GC's Affidavit of Release of Liens from such GC, (B) receipt of final lien waivers and releases from such GC for the Public Parking Garage, and at the request of DSA, all major suppliers of labor and materials to the Public Parking Garage, and (C) receipt of evidence of full payment for personal property, if applicable.

7. Conditions to All Disbursements. The following conditions must be satisfied as to each Disbursement Request or DSA may withhold its approval thereof:

(a) No Default. Developer shall be in full compliance with, and there shall not be a default continuing under, the Construction Contract, and no default shall result under such document from the making of the disbursement.

(b) Retainage. Retainage to the GC and any subcontractors shall only be released in accordance with the Construction Contract.

(c) Change in Scope. Any change in the scope of work under the Construction Contract shall require the agreement of Developer and the GC, and the prior written approval of DSA.

8. General Provisions. Headings shall not limit or affect any paragraph in this Agreement. Time is of the essence of this Agreement and each of the provisions hereof. This Agreement shall be deemed to have been executed and delivered within the State of Georgia and the rights and obligations of the Parties hereunder shall be construed and enforced in accordance with, and governed by, the laws of the State of Georgia without regard to principles of conflicts of laws. During construction of the Public Parking Garage, DSA and Developer agree to use reasonable, good faith efforts to resolve any disputes which may arise in connection with this Agreement. If, after the exercise of good faith efforts to so resolve the dispute, the Parties are unable to do so, the Parties shall submit their dispute to be resolved in accordance with the dispute resolution structure set forth in the Construction Contract. The parties hereto hereby agree that the terms of this Agreement shall be subject to the notice and cure provisions of that certain Intercreditor/Recognition Agreement dated contemporaneously herewith (the "Recognition Agreement") by and among DSA, Developer, and Bank of the Ozarks_____

(“**Construction Lender**”), so that Construction Lender may be entitled to disbursement under this Agreement should such Construction Lender prevail in any “Enforcement Action” (as that term is defined in the Recognition Agreement) against Developer.

10. **Notices.** Unless and except as otherwise specifically provided herein, any and all notices, elections, approvals, consents, demands, requests and responses thereto (“**Notices**”) permitted or required to be given hereunder shall be in writing, signed by or on behalf of the party giving the same, and shall be deemed to have been properly given and shall be effective (i) three (3) days after such notice has been deposited in the United States mail, postage prepaid, certified with return receipt requested, or (ii) the following business day after such notice has been deposited with a nationally recognized overnight delivery service, in either event to the other party at the address of such other party set forth hereinbelow or at such other address as such other party may designate by notice specifically designated as a notice of change of address and given in accordance herewith; provided, however, no notice of change of address shall be effective with respect to Notices sent prior to the time of receipt thereof. An attempted delivery in accordance with the foregoing, acceptance of which is refused or rejected, shall be deemed to be and shall constitute receipt; and an attempted delivery in accordance with the foregoing by mail or courier service (whichever is chosen by the sender) which is not completed because of changed address of which no notice was received by the sender in accordance with this provision prior to the sending of the Notices shall also be deemed to be and constitute receipt.
