

AN ORDINANCE
To Be Entitled

AN ORDINANCE TO AMEND DIVISION II OF THE CODE OF THE CITY OF SAVANNAH, GEORGIA, PART 8, PLANNING AND REGULATION OF DEVELOPMENT, CHAPTER 3, ZONING, APPENDIX A-2: PLANNED DEVELOPMENT DISTRICTS, A-2.6 – EAST BROAD MARKET LOFTS PD AND TO REPEAL ALL OTHER ORDINANCES IN CONFLICT HEREWITH AND FOR OTHER PURPOSES.

BE IT ORDAINED by the Mayor and Aldermen of the City of Savannah, Georgia, in regular meeting of Council assembled and pursuant to lawful authority thereof:

SECTION 1: That Part 8, Chapter 3, Zoning of the Code of the City of Savannah, Georgia (2003) hereinafter referenced as "Code," be amended as follows:

*Note: Text to be enacted shown in red and underlined.
Text to be repealed shown in red and ~~strikethrough~~.*

~~Article S-~~A-2.6 East Broad Market Lofts Planned ~~Unit~~ Development.

~~Sec. 8-3390I.~~ Purpose

The purpose of the East Broad Market Lofts Planned ~~Unit~~ Development (~~PUDPD~~) is to provide a process to permit a unique planned ~~unit~~ development which would otherwise not be allowed. The standards and procedures of this district are intended to promote flexibility in design, allow a diverse yet integrated arrangement of uses, and provide the Mayor and Aldermen with the absolute authority to establish such limitations and regulations as it deems necessary to protect the health, safety, and general welfare of the area.

The written descriptions and data contained herein and the Master Plan (Exhibit A) comprise the East Broad Market Lofts Planned Unit Development.

~~Sec. 8-3391II.~~ Control

The applicants for the PUD are Savannah Core, LLC, GIKI, LLC and GKI, LLC (collectively referred to as the ~~“~~Master Developer”) and they are the owners of the parcels within the PUD affected by this Ordinance. The Master Developer shall be responsible for the execution of the approved plan and for seeing that the outcome of development is consistent with the principles of the PUD Master Plan. The Master Developer may assign or transfer responsibility only with the approval of the Metropolitan Planning Commission and the submittal of such documentation as may be necessary to ensure execution of the approved plan.

~~Sec. 8-3392III.~~ Planning

Each parcel of land as identified in the Master Plan has a land use classification which is referred to herein as its district. The identification of and the development standards for each district are contained within this document.

Sec. 8-3401XII. General Development Guidelines

(1) General

The standards that follow shall apply to all development within the East Broad Market Lofts PUD. The standards are meant to supplement the City of Savannah Code of Ordinances. If the PUD document is silent regarding a development standard, the regulations of the Savannah Zoning Ordinance shall apply.

(2) Subdivision Plats and Site Plans

All land subdivisions or recombinations shall comply with the City of Savannah Subdivision Ordinance Regulations unless otherwise identified in this document. Site development plans for each use or uses shall be subject to review and approval by the Metropolitan Planning Commission and all applicable city departments.

(3) Green Space

The East Broad Market Lofts PUD, in its entirety, shall have not less than 20 percent of its gross area set aside for green space. Green space is defined as parks, play areas, plazas, tree lawns, buffers and other outdoor areas not covered with habitable buildings or pavement. Street and parking pavement is not considered green space.

(4) Setbacks and Buffers

Building setbacks have been previously identified in Sec. 8-3400(1) and Sec. 8-3400(2). Buffers shall be provided as required in the Savannah Zoning Ordinance. A Type A buffer shall be established where one-family detached residential property is adjoined by multi-family residential development. A Type C buffer is required where one-family detached residential property is adjoined by convenience or general retail activity. A Type G buffer is required where a parking lot adjoins other properties or where a parking lot abuts a public or private road right-of-way.

(5) Service and Loading Areas

If either the mixed use component or the multi-family component include refuse stations, loading areas or truck delivery zones, these shall be located so as to minimize visibility from public rights-of-way. All exterior trash compactors and receptacles shall be screened by a masonry wall, and shall be gated and landscaped. Gates shall be latched so as to remain closed between servicing.

(6) Utilities

Utilities, including but not limited to potable water, storm sewer, sanitary sewage, irrigation, cable television, telephone, broadband transmission, power, and gas shall be located underground. Above ground boxes including relays, valves, substations, and pedestals shall be appropriately fenced, landscaped or otherwise screened from outside view.

(7) Lighting

Lighting standards shall comply with regulations of the City of Savannah Zoning Ordinance.

(8) Pedestrian Walks

Each development within the East Broad Market Lofts PUD shall be linked by a network of paved pedestrian walks. Where possible, walks shall be placed against the inside edge of the road right-of-way, leaving a tree planting strip between the walk and the edge of the curb. At roadway intersections, the pavement shall be textured and/or patterned in such a way to be obvious that the crossing is part of the pedestrian walkway system.

(9) Parking

(a) Standards

Parking standards of the 9.3.7 Victorian and Streetcar Parking District City of Savannah shall apply except as otherwise described herein.

(b) Locations

No parking area or parking structure shall be allowed in any require front yard setback, except for 535 E 39th St (PIN: 2-0075 -05-011).

(c) Requirements

The following minimum space requirements shall be met on-site, provided that some or all of the required off-street parking spaces may be waived by the City of Savannah Zoning Administrator as provided in XII. General Development Guidelines (9)(d) under Sec. 8-3401(9)(d) below.

(i) Residential Use - A minimum of one parking space per unit shall be provided.

(ii) Non-residential Use - Parking shall be provided in accordance with the following:

(1) *Nonresidential use less than 2,500 square feet.* No minimum space requirement. Maximum requirement of one space per 500 square feet of gross floor area if located on-site.

(2) *Nonresidential use 2,500 square feet or more.* Minimum one space per 1,000 square feet of gross floor area. Maximum one space per 500 square feet of gross floor area if located on-site.

The number of parking spaces required for buildings with both residential and non-residential uses shall be determined by calculating the need for each use separately and summing the total.

(d) Credit for On-Street Spaces

(i) Credit toward required off-street parking shall be allowed for abutting spaces along the street adjacent to the subject property as approved by the City of Savannah Zoning Administrator upon recommendation from the City

Engineer and City Traffic Engineer.

- (ii) Some or all of the required off-street parking spaces may be waived by the Zoning Administrator where publicly-controlled off-street parking is located within a 600-foot walking distance along public walkways from the main entrance of the proposed use and adequate parking spaces are available within the publicly-controlled parking area to accommodate the anticipated use.

(e) Parking Lots Over 30 Feet in Length.

Where a parking lot extends over 30 feet in length along any street, a 36-inch high wall shall be placed parallel to the building facade along the parking lot in order to screen any vehicles parked there. Shrubs that are anticipated to grow to a height of less than 36 inches shall be planted between the wall and the adjacent sidewalk.

(10) Signage

Signage standards shall comply with regulations of the B-N zoning classification as described in the City of Savannah Zoning Ordinance except as otherwise described herein.

(a) Retail/Service Identification Signs

Each retail/service establishment located on the ground floor shall be allowed a maximum of 30 square feet of fascia signage per Street frontage. No free standing identification signage is permitted.

(b) Tenant Signs

In the mixed use areas, some buildings may contain multiple tenants. These buildings shall be permitted a wall mounted directory sign or plaque at its entrance identifying the tenant and tenant floor, address or suite number. Only one identity line per tenant is permitted. The maximum sign height shall be 12 inches and the maximum sign area shall be limited to three (3) square feet.

Sec. 8-3402XIII. Definitions

Definitions shall be referenced in Article 13 of the ~~City of Savannah~~ Zoning Ordinance.
