## NOTES

Recommend approval to procure upgrades to the e911 VIPER system from AT&T in the amount of \$392,163.00. This upgrade will add functionality to allow calls to be answered in both the primary and backup e911 Centers at the same time and add the "text-to-911" functionality to allow the e911 Center to receive text messages as well as voice calls. This is a sole source because AT&T is the current provider of e911 VIPER system services. Delivery: As needed. Terms: Net 30 days. The vendor is:

S.S. AT&T (B – Savannah, GA) \$392,163.00

A pre-bid conference was not conducted as this is a sole source procurement. (B) Indicates local, non-minority owned business. Recommend approval.
