Dear Travel+ Leisure Member:  
Were always searching for special offers to benefit Travel+ Leisure members. Here's an offer from one of our partners that we thought might interest you.

### Discover the Golden Isles of Georgia

Along the Georgia coast, an hour south of Savannah, lies a stretch of land like no other. It's a beautiful mix of Spanish moss that lines the streets and meet miles of sun-drenched beaches. Sand marshlands, winding rivers, and plentiful nature and wildlife beckon visitors who return for generations.

Comprised of four natural barrier islands - St. Simons Island, Sea Island, Little St. Simons Island and Jekyll Island - each of the Golden Isles has its own charm and personality for you to discover, and all are complemented by the mainland part city of Brunswick.

Spend your time on St. Simons Island for a family-friendly retreat with coastal appeal, sandy beaches and exceptional historic sites. Or find a private natural retreat on Little St. Simons Island, where you can experience sensational culture and activities in the most memorable natural setting.

Find private luxury on Sea Island, an internationally acclaimed Forbes Five Star resort. Visit Jekyll Island, a unique state park heralded for its open wilderness and National Historic Landmark District. Or step back in time and see Brunswick's charming city streets and squares still bearing their colonial names.

The Golden Isles are easy to get to - just fly through the user-friendly Savannah/Hilton Head International Airport (SAV), which is served by eight airlines with over 50 daily nonstop departures to 25 destinations. [BGA.com](http://BGA.com)

This is perhaps the best kept secret on the East Coast; this is the Golden Isles. [GoldenIsles.com](http://GoldenIsles.com)
