MATRIX (IF APPLICABLE) N/A		
NOTES		
<p>Notification of emergency procurement for Data Center Firewalls from Layer 3 Communications in the amount of \$308,614.22. The Department of Information Technology (DoIT) will use these firewalls for remediation for the recent malware virus attack on the City's network. This upgrade was needed to provide enhanced security within the network to protect against future threats. These internal firewalls will serve as redundant protection to monitor internal traffic within the network and will protect servers from coming dangers. This vendor was the first vendor available to immediately respond with the requisite resources. Due to the immediate need to repair and restore the network, this vendor was selected. The vendor was:</p> <p>E.P. Layer 3 Communications (Savannah, GA)^(B) \$308,614.22</p> <p>A pre-bid conference was not conducted as this was an emergency procurement. (B) Indicates a local, non-minority owned business. <u>Recommend approval.</u></p> <p>Local Available: Yes MWBE Available: No Total Sent: 1 MWBE Sent: 0 Total Received: 1 MWBE Received: 0 Vendor Federally Debarred/Suspended: No</p>
