A signed copy of the Grant Review Form will be returned to the contact person. Matching funds may not be readily available for grant awards if the requirement is not identified in advance.

Local Grant Application Deadline: 3/15/2017

Project Title: Green Stormwater Management and Beautification in Habersham Village

Granting Agency: Georgia Department of Natural Resources

Grant Type: New Grant [x] Renewal Grant [] Stimulus Grant []

Award Period: Spring 2017-2018

Bureau: PWWR Department: Water Resources

Contact Person: Laura Walker

Phone Number: 912-651-3529

Grant Description (within 75 words or less):

This grant project will investigate the potential costs and benefit of green infrastructure in the Habersham Village area. Green Infrastructure is the implementation of natural processes in the urban environment to improve water quality and reduce stormwater impacts. Resulting recommendations would complement existing planned drainage improvements. Because this area drains into an impaired waterbody, the Casey Canal, it is eligible for Georgia 319 grant funds to install appropriate recommendations from this effort.
