

Victorian Neighborhoods Association

1305 ½ Barnard St. Ste. 4 Savannah GA 3140

vnasavannahga2013@gmail.com

September 2, 2019

To Mr. Mark Massey, Clerk of Council,

The Victorian Neighborhoods Association (VNA) supports an extension of the Open Container Zone, defined in the Code of Ordinances, Part 6, Article H, Division 3, Sec. 6-1214. - Consumption of alcohol on city streets, into the Victorian Historic District, with all laws and regulations pertaining to the existing ordinance to apply. The Victorian Historic District is bounded on the north by Gwinnett St, on the south by Anderson Lane, on the east by East Broad St. and on the west by Martin Luther King Jr Blvd.

The extension of the Open Container Zone was initially addressed by local businesses and residents in our March 2019 VNA meeting and was followed by an online survey of our membership in April (attached). That survey showed overwhelming support, with over 80% of the responders favoring extension into the Victorian District.

The attached petition, showing 280 signatories with Victorian District street addresses, supports the VNA position on expanding the Open Container Zone. We herewith submit the petition and signature sheets to the City of Savannah with this letter as a formal request for City Council to hold a vote on the issue.

Please contact me by email should you have questions or concerns regarding this petition:
vnasavannahga2013@gmail.com

Thank you for your consideration in this matter.

Regards,

Ryan Madson
President, Victorian Neighborhoods Association

Enclosure: Petition and signature pages; list of digital signatures; survey of VNA membership

Victorian Neighborhoods Association

1305 ½ Barnard St. Ste. 4 Savannah GA 31401

vnasavannahga2013@gmail.com

We the undersigned request that Savannah City Council expand the open container (to-go cup) zone into the Victorian district.

Signatures from persons with a Victorian district street address only! Neighborhood boundaries – Gwinnett Street to Anderson Lane, and East Broad Street to Martin Luther King, Jr. Boulevard.

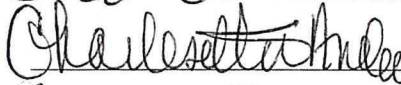

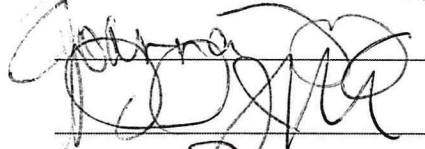

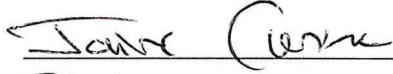

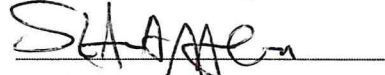

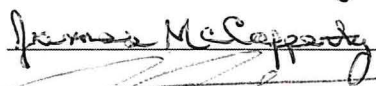

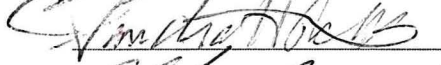

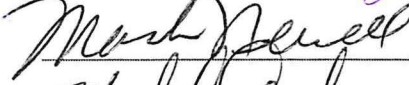

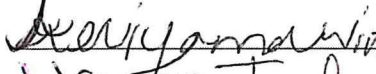

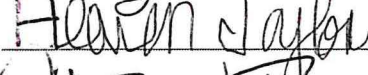

The Victorian Neighborhood Association supports an expansion of the open container (to-go cup) zone into the district, with future boundaries to-be-determined based on additional feedback from residents, business owners, and City of Savannah officials. Currently the southern extent of the to-go cup zone ends at the center-line of Jones Street. To-go cups south of Jones Street are illegal, with the exception of permitted special events. However, many locals and visitors are confused about the boundaries of the open container cup zone. The present situation is one of "de facto non-enforcement" in and around Forsyth Park. Expansion of the to-go cup zone would clarify this confusing situation for everyone. The social and commercial activities of downtown Savannah have transformed drastically since the to-go cup boundaries were first drawn, and the expansion of the zone would support locally-owned and operated businesses in the Victorian district.

A recent survey sent to residents and business owners in the Victorian district overwhelmingly favored expansion of the to-go cup zone into our area. 84% of survey respondents are in support of the expansion. The request would need to be legislated by City Council. This petition is an important next step in lobbying our elected officials to vote "yes" to expand the to-go cup zone.

WE THE UNDERSIGNED REQUEST THAT SAVANNAH CITY COUCL EXPAND THE OPEN CONTAINER (TO-GO CUP) ZONE INTO THE VICTORIAN DISRICT.

Signatures from persons with Victorian district street addresses only! Neighborhood boundaries: Gwinnett Street to Anderson Lane, and East Broad Street to Martin Luther King, Jr. Boulevard.
