NOTES

Recommend approval to renew an annual contract for water and wastewater sample analysis with Florida Spectrum Laboratories in the amount up to \$64,500. These services will be used by the Industrial and Domestic Water Department and the Dean Forest Landfill to provide sample analysis. Water testing helps Savannah remain compliant with the Environmental Protection Agency, and also ensures citizens receive safe, high-quality drinking water.

The apparent low bidder was not selected because it did not meet specifications requiring State of Georgia certification in chemical and microbiological testing.

Bids were originally received on May 23, 2017. The contract was originally awarded by Council on September 28, 2017. This is the third and final renewal option available. Delivery: As needed. Terms: Net 30 days. The bidders were:

L.B.	Florida Spectrum Laboratories (Savannah, GA) ^(B)	\$83,320.00
	ALS Environmental (Jacksonville, FL) ^(D)	\$16,666.00+
	Pace Analytical Services, LLC (Norcross, GA) ^(D)	\$79,830.00+
	TestAmerica Laboratories, Inc. (Savannah, GA) ^(B)	\$82,804.00*

A pre-bid conference was not conducted as this is an annual contract renewal. (B) Indicates local, non-minority owned business. (D) Indicates non-local, non-minority owned business. (+) Indicates partial bid. (*) Indicates bidder did not meet specifications. Recommend approval.
