2) Additional requirements for signs within Eastern Wharf:

a) Temporary signs. Temporary signs shall be permitted provided that:

i) Temporary sale or promotional signs shall be located wholly within a window or display.

ii) Portable Sandwich board or A-Frame Signs. Display frame materials are limited to wood or metal. Portable signs shall only be displayed during the establishment's hours of operation.

iii) Temporary Sale and Leasing signs: Signs erected during the promotion of sale, lease or rental of the property upon which the sign is located shall be permitted as follows:

(1) The sign shall be placed no closer than five (5) feet from the street right-of way or shall be attached to the principal use structure.

(2) Any such sign shall be removed within seven (7) days after the property has been sold, leased or rented.

b) Announcement signs. Announcement signs shall be permitted provided that:

i) Announcement signs shall be attached flat against the face of the building, window, or door and shall only be permitted at the entrance or exit; provided such signs shall be restricted to emergency information, business hours, credit cards honored, or other such incidental information related to business and provided that such signs shall be three (3) square feet or smaller

(1) Licensed establishments serving food or drink may have an additional announcement sign not to exceed four (4) square feet for the purpose of displaying menus and/or entertainment provided therein.

(2) Registered trademarks, service marks, or portrayal of specific commodities shall not exceed ten percent (10%) of the total announcement sign area.

ii) Principal uses which operate an off-street parking area, available to the general public, shall also be permitted one (1) non-advertising traffic guidance announcement sign not to exceed an area of sixteen (16) square feet as a means of directing attention to such off-street parking facilities. Such sign may be attached to the underside of a canopy.

iii) One (1) readerboard of shall be permitted in combination with a principal sign only. Provided further, that when such sign is located along President's Street, such sign may be increased up to a maximum of thirty (30) square feet in area. Electronic readerboards shall be subject to the following:

(1) Such signs shall be equipped with automatic dimming technology that adjusts the sign's brightness in direct correlation with natural ambient light conditions.

(2) Such signs shall not exceed a brightness level of 0.3 footcandles above ambient light as measured using a footcandle (Lux) meter at a preset distance depending on sign area. Such distance is calculated by taking the square root of the product of the sign area and 100. For example, the calculation for the measurement distance for a 40 square foot sign would be $\sqrt{(40 * 100)} = 63$ feet.

c) Principal use and supplemental identification signs. Principal use and supplemental identification signs shall be permitted provided that:

i) Only one (1) principal use sign shall be permitted for each business establishment and may be mounted or erected as either (i) a fascia sign or (ii) as a projecting sign. Notwithstanding the foregoing, where a business establishment fronts on more than one (1) street or pedestrian walkway providing public access, one (1) principal use sign for each frontage shall be permitted; provided, that only the maximum sign area computed for a given street frontage, as provided in below in (i) and (v), shall face that street. The copy area shall not exceed sixty percent (60%) of the display area of a principal use sign.

(1) Size, height and location of principal use signs. Such signs shall be limited by the most restrictive of the following:

(a) Fascia signs.

(i) No fascia sign shall extend above the parapet wall of the building or extend beyond the edge of the building or an adjoining principal use, nor shall such sign project out from the building facade more than fifteen (15) inches; provided, that for a principal use fascia sign on an awning or canopy, such sign shall project out from the building face no greater distance than would a permitted projecting sign.

(ii) The fascia sign shall be located along the signable area of the building facade, and not more than sixty percent (60 percent) of the display area shall be occupied by such sign copy.

- (iii) For office buildings, where multiple business establishments share a common public entrance, the allowable sign area for a building fascia may be divided among establishments, provided that no more than two (2) establishments are represented with principal use signs.
- (iv) In addition to the permitted principal use sign, one (1) canopy or awning principal use sign shall be permitted for each entrance providing public access. Such sign shall not exceed a size of more than one (1) square foot of sign face per linear foot of canopy or awning, or a maximum of twenty (20) square feet, whichever is lesser; provided, however, that the aggregate total principal use sign area for the subject use is not exceeded along that street frontage. Signs on the opposite ends of an awning shall be considered a single sign. Individual letters or symbols not to exceed six inches indicating use, address, or an exit or entrance, painted, stenciled or otherwise applied directly to any awnings or canopy within the district, shall be exempt from this provision.

(b) Projecting signs.

- (i) The outer edge of a projecting sign shall not extend more than six (6) feet from the building to which it is attached.
 - (ii) No projecting sign shall extend above the parapet wall of the building, and the lowest point of the projecting sign shall not be less than ten feet above the established grade.
- ii) One (1) supplemental identification sign, not exceeding an aggregate sign area of four (4) square feet, shall be permitted adjacent to each entrance of the principal use.
- d) Under-awning or canopy signs. Signs shall not be less than one (1) foot from the outer edge of the canopy.
 - e) Marquee signs.. Marquee signs shall not extend greater than (8) eight feet from the facade of a building. The height of a marquee sign shall not extend above the parapet wall of the building, and the lowest point of the marquee sign shall

not be less than ten (10) feet above the established grade. If a marquee structure is utilized to support a principal use sign, such sign shall conform to the size and area requirements of a projecting principal use sign and shall not project more than eight (8) feet from the main facade of the building.

- f) *Building identification sign.* Building identification signs shall be permitted along the signable area of each building facade.
- g) *Window and Transom Signs.* Window and transom signs shall be permitted..

more than five (5) feet above the established ground level, noting the name of the district, a subdivision or residential development.

iii) Flags and Display Banners: Flags and banners shall be permitted provided that:

(1) Display banners and temporary signs be attached to designated site-furnishings, such as flag poles or light poles.

iv) Event and Information Displays: Structures designated for the display of temporary public information and event announcements shall be permitted provided that:

(1) The structure shall have a defined display area. The size and placement of any applied signs or displays shall be restricted to the defined display area.

v) Development Signs. Development signs shall be permitted upon site equipment, construction fence coverings, buildings/structures under construction, and shipping containers located on-site.

2) Signs within the public right-of-way. Signs within the public right-of-way shall be required to obtain an encroachment license from the City of Savannah.

3) Definitions. For the purposes of this Ordinance, certain words or terms used herein shall be defined as follows:

b) Sign. Any structure, part thereof, or device attached thereto or painted or represented thereon or any material or thing, illuminated or otherwise, which displays or includes any numeral, letter, word, model, banner, emblem, insignia, device, trademark or other representation used as or in the nature of an announcement, advertisement, direction or designation of any person, group, organization, place, commodity, product, service, business, profession, enterprise or industry which is located upon any land or any building or upon a window. The flag, emblem or other insignia of a nation; governmental unit; educational, charitable or religious group shall not be included within the meaning of this definition. For the purposes of this ordinance sign types shall be identified as follows:

i) Development sign. A temporary construction sign denoting the architect, engineer, contractor, subcontractor, financier or sponsor of a development which may also designate the future occupant or use of the development.

- ii) *Directional sign.* A sign containing information relative to the location, distance to, entrance to, and exit from structures or land use activities. Also known as a wayfinding sign.
- iii) *Announcement sign.* A single-faced nonilluminated professional or announcement sign attached wholly to a building, window or door unless otherwise permitted within this Code as a freestanding illuminated sign. Where such sign only includes emergency information, business hours, credit cards honored, and other accessory information it shall be known as an incidental use sign.
- iv) *Principal use sign.* A sign which identifies or advertises a profession, principal land use activity, or service occupying or available on the premises upon which such sign is located.
- v) *Outdoor advertising or separate use sign.* An off-premises sign which advertises or directs attention to businesses, products, services or establishments not usually conducted on the premises on which the sign is located.
- vi) *Public information sign.* A sign containing emergency or legal notices, regulatory information, or historical data of interest to the general public, or a church bulletin board.
- vii) *Temporary sign.* A restricted sign or outdoor display consisting of materials such as a pinwheel, windsock, flag, balloon or other inflatable object, pennant, banner and/or metallic or other strip of material which is designed and/or erected so as to flutter, rotate, shimmer or otherwise create movement or produce action to draw attention to a product or attract the attention of the passing public to use, product, service or event when erected for not greater than 30 consecutive days nor greater than 60 days within a calendar year (January 1—December 31).
- viii) *Fabricated sign.* A sign which does not meet the specifications of the "standard poster panel sign," but which is permitted in accordance with the provisions of this chapter as they relate to a separate use sign.
- ix) *Fascia sign.* A single-faced sign which is in any manner attached or fixed flat to an exterior wall of a building or structure. Individual letters in addition to the "box type" (i.e., letters and symbols on an attached backing) sign may also be installed as a fascia sign. A principal use sign on a canopy or awning shall be interpreted as a fascia sign.
- x) *Flashing sign.* An illuminated sign of direct or indirect lighting on which the artificial light flashes on and off in regular or irregular sequence.

- xi) *Freestanding sign.* A sign supported by one or more upright poles, columns or braces placed in or upon the ground surface, and not attached to any building or structure.
- xii) *Illuminated sign.* A sign illuminated directly or indirectly by gas, electricity or other artificial light, including reflective or fluorescent light.
- xiii) *Under-awning or canopy sign.* A sign other than a principal use sign, attached or applied to or below a canopy, awning or other roof-like structure.
- xiv) *Double-faced sign.* A sign more than one side of which is visible. A "V" sign shall be considered a double-faced sign providing the least angle of intersection does not exceed 90 degrees.
- xv) *Portable sign.* A freestanding sign not permanently anchored or secured to either a building or to the ground.
- xvi) *Projecting sign.* A double-faced sign end mounted to an exterior wall of a building or structure and which projects out from the wall more than 15 inches.
- xvii) *Single-faced sign.* A sign, only one side of which is visible.
- xviii) *Supplemental identification sign.* A nonilluminated sign limited to providing the trade name, logo or principal use of the establishment.
- xix) *Building identification sign.* A fascia sign used to identify or indicate the name of a building.
- xx) *Readerboard sign.* An announcement sign with changeable letters, which may or may not be internally illuminated; also called a display panel. (25)Area identification sign. A single- or double-faced identification sign not exceeding 30 square feet in area (excluding architectural embellishments and decorative sign support structures), nor extending more than five feet above the established ground level, noting the name of a subdivision; residential development; or public, charitable, educational or religious institution.
- xxi) *District identity sign.* A sign or marker identifying Eastern Wharf, which does not advertise an individual business or service and is controlled and maintained by the Eastern Wharf Commercial District Association, Inc.

- c) **Sign area.** The entire face of a sign and all wall work including illumination tubing incidental to its decoration. In the case of an open sign made up of individual letters, figures or designs attached directly to the building, the space between such letters, figures or designs shall not be included as part of the sign area.
- d) **Sign clearance.** The vertical distance from the established finished grade of the sidewalk to the lower edge of a sign.
- e) **Sign copy area.** The sum of the area of the words or numbers included in the sign copy, inclusive of pictorials, trademarks or other advertising symbols.
- f) **Sign display area.** The total area upon which sign copy may be placed. In computing the total display area of the sign, mathematical formulas or geometric shapes formed by straight lines drawn closest to the extremities of the sign, excluding any framing or support structure, ornament or other embellishments shall be used.
- g) **Signable area.** That area of the facade of a building up to the roofline, free of windows and doors or major architectural detail, to which a sign may be attached or erected; provided, however, that the "signable area" for a fascia sign shall be further restricted to the horizontal area along the building facade below any upper story windows when a principal use structure is greater than one story in height. A permitted awning or canopy may also be considered as part of the signable area.
- h) **Signable quadrant.** An area extending for a set distance along the roadways from the intersection of the rights-of-way of two or more collector or arterial streets (excluding areas along a protected or interstate roadway) and a set distance parallel to the rights-of-way of such roadways.

SECTION 2: That the requirement of Section 8-3182(f)(2) of said Code and the law in such cases made and provided has been satisfied. That an opportunity for a public hearing was afforded anyone having an interest or property right which may have been affected by this zoning amendment, said notice being published in the *Savannah Morning News* on the 8th day of February 2020, a copy of said notice being attached hereto and made a part hereof.

SECTION 3: Upon the effective date of the ordinance all ordinances or parts of ordinances in conflict herewith are hereby repealed.

ADOPTED AND APPROVED: _____, 2020.
