NOTES		
<p>Recommend approval to procure Traffic and Crowd Management Services with Area Wide Protective in the amount of \$59,285. The St. Patrick's Day Parade requires traffic control and crowd control barricades to proceed safely on the streets of Savannah. Additionally, NO PARK signs are required for the parade route and staffing area so that police may tow vehicles from the route, also for safety, prior to the parade starting. Area Wide Protective (AWP) is a local traffic control company that is familiar with a major event in the Savannah area. This is a sole source because the vendor is the only company that can provide the level of service required for major events such as the St. Patrick's Day Parade in the area. This service includes the staging and deployment of all crowd and traffic control barricades along with the posting of all the NO PARK signs in the shortened time frame leading up to the parade.</p> <p>Delivery: As needed. Terms: Net 30 days. The vendor is:</p> <p>S.S. Area Wide Protective (Savannah, GA)^(B) \$59,285</p> <p>A pre-bid conference was not conducted as this is a sole source procurement.
