<b>NOTES</b>		
<p>Recommend approval of Contract Modification No. 1 for fire pumper repair with Williams Fire Apparatus<sup>(D)</sup> in the amount of \$9,975.12</p> <p>The original contract was to repair fire pumper Unit # 4518 belonging to the City of Savannah Fire Department incurred extensive damage from an accident. The damage to this unit will cause the fire pumper to be out of service until repaired. The repairs to the unit will include repairs to the front bumper, front cab, side skirts, side walls, lighting systems, hydraulics, and wiring. Once the vendor started repairs on this unit it was discovered that the damage was more severe than initially suspected. This required additional parts and labor. The vendor also performed a preventative maintenance service and changed all the fluids to make sure the unit was safe and operational.</p> <p>This contract was originally approved by Council on September 23, 2021 in the amount of \$41,662.85 The total amount of this contract to date, including this modification, is \$51,637.97.</p> <p>Recommend approval of Contract Modification No. 1 for Fire Pumper Repair with Williams Fire Apparatus in the amount of \$9,975.12.</p>
