NOTES		
<p>This is for two sewer inspection vans from Environmental Products Group, Inc. in the amount of \$763,400. The two (2) new vans will be utilized by the Water Reclamation Division to perform regular water pipeline inspections and maintenance throughout the City of Savannah. Infiltration of tree roots, heavy road traffic, and regular usage all cause damage that the waterline pipe system must endure; therefore regular inspections and maintenance are critical to ensure the ongoing effectiveness. The new vans will be replacing unit# 3823 and unit# 3824 which have reached the end of their useful life and are no longer economical to maintain.</p> <p>The Sewer Inspection Vans are unique to the City's fleet and the competitive bid process was not utilized; as the Sourcewell contract provided reasonable pricing when compared with previous years.</p> <p>This procurement was made through a cooperative purchasing agreement with Sourcewell and Environmental Products Group, Inc. for Sewer Inspection & Maintenance Equipment. Cooperative purchasing is authorized as an appropriate procurement method in Division 10 Section 4-4152 of the City of Savannah's purchasing ordinance. The contract number is 120721-EVS and it expires on January 17, 2026.</p> <p>The vendor is:</p> <p>S.C. Environmental Products Group, Inc.
