Short Summary:

Michael and Ann Densler had six children.

1. Ann Margaret Densler died in 1835, not married, no heirs.
2. Sophia Densler 1785-1850, not married, no heirs
3. Michael Densler 1788-1835, married and had one child, who did not marry or have heirs.
4. Joseph Densler born about 1790, listed in 1830 Chatham Co, GA census, does not list wife or heirs and no other information can be found.
5. David Densler 1792-1822, has heirs, which is attached in this document.
6. John A Densler 1800-1835, not married, no heirs

The only living heir I could locate is Dr. James Densler in Atlanta. His ancestor was a slave on the plantation and carries the surname. It is unknown if he is a genetic heir. After speaking to Dr. Densler, he did confirm that his family lived off White Bluff in Savannah, and that his father did live there, but that the father left the family when he was young and he doesn't know much about that side of the family.
