EVENT # 4570

Fiber Optic Cabling Annual Contract

SPECIFICATIONS AND SPECIAL CONDITIONS

4.0 Description of Project: The purpose of these specifications is to describe services to provide an annual contract for underground fiber optic cable installation for planned projects and emergency repairs in the case of accidents, storms, hurricanes, or equipment failures and will be used by the Information Technology Department.

To submit pricing electronically for this event, enter pricing for each line item shown under the lines tab on the event summary. To enter pricing manually, complete the attached bid proposal form. Bids submitted manually must be on the bid proposal forms contained in these specifications in order to be considered. If submitting electronically, submit the total amount for line item #22 as the emergency projects estimates ($20,000) plus the percentage markup cost (ex. If your markup is 25%, you would enter $37,500 as your total markup cost).

A pre-bid conference has been scheduled to be conducted at the Purchasing Office, City Hall, third floor, 2 East Bay Street, Savannah, Georgia 31401. This meeting will allow contractors to discuss the specifications and resolve any questions and/or misunderstandings that may arise with City staff. You are invited to attend.

4.1 Scope of Services

The services provided for this bid consist of furnishing all labor, construction equipment, mobilization, and traffic control necessary for the installation of various fiber count strands such as single-mode or multi-mode fiber optic cable. The fiber cable will be installed underground or aerial fiber depending on job or site requirements. If cable is installed underground, it will be installed underground in one and a half inch (1.5”) High Density Polyethylene (HDPE) conduit via horizontal directional drilling. Site specifications or requirements may require up to three additional underground in one and one half inch 1.5” HDPE conduit for capacity. For underground fiber installation the contractor shall be responsible for installing all hand-holes, trace wire, mule tape/pull string, terminations, splices, 100’ slack coil storage and materials and equipment needed for a complete installation. For aerial installation the contractor shall be responsible for installing all span wire (if needed), over lashing, mounting clasps and brackets in with terminations, splices, slack coil storage and materials and equipment needed for a complete installation. All aerial plant installed must meet the NESC standards for storm load and span and over lash rules.

4.2 The contractor shall use materials that fall within the following guidelines and specifications. The contractor shall provide specifications and cut sheets for fiber optic cable and associated items used as part of this contract with the bid submission.
4.3 The contractor shall meet or exceed the City of Savannah’s standard construction details and follow all federal, state, and local regulations in accordance with this type of underground construction.

4.4 The contractor shall be responsible for calling in all locates in accordance with the Utilities Protection Center and Georgia Dig Laws before beginning construction. The contractor shall also be responsible for securing all permits associated with this work. Site specific right-of-way permits shall be required from the Traffic Engineering Department prior to any construction activity in the City right-of-way.

4.5 The contractor shall provide as-builts and station locations for all the fiber optic cable and/or conduit installed.

4.6 The contractor shall provide all labor, traffic control, construction equipment, form work, temporary braces, and any other items, machinery or equipment necessary to perform the required work. In addition, the contractor shall provide all fill materials, gravel, cement, wire, cable, PVC conduit, sealant, and any miscellaneous items such as wire connectors, fasteners, nuts, bolts, washers, etc. The cost of all such materials, supplies or miscellaneous items that are supplied by the contractor shall be included in the contract unit price for the applicable bid item.

4.7 **Service Level Agreements (SLA)**

4.7.1 Does the contractor offer any service level agreements (SLA) included as part of a services agreement or as part of a maintenance agreement? If yes, please attach a copy of your standard SLA. Please label it and attach it with your bid submission.

4.7.2 Describe the support that is available to assist with escalated issues under your SLA.

4.7.3 Indicate the recourse available for breach of the SLA.

4.8 **References:** Contractors are required to include in their bid responses a minimum of three (3) references including company names, contacts, and phone numbers for whom they have completed contracts with similar scopes of work. See Attachment 1. Attachment 1 must be included in the bid response in order for a bid to be considered.

4.9 This contract will be awarded to the vendor offering the lowest net price to the City, and meeting or exceeding all specifications herein. The City reserves the right to split the award if deemed to be in its best interest. The City also reserves the right to award to a primary, secondary and tertiary vendor if deemed advantageous.

4.10 **Contract:** This is an annual contract and prices are to be held firm for a period of one (1) year (12 months). This contract may be extended for three (3) additional one (1) year periods at the same terms and conditions upon mutual agreement of the contracting parties.

The undersigned will enter into a formal agreement with the M/WBE Subcontractors/Proposers identified herein for work listed in this schedule, conditioned upon executing a contract with the Mayor and Aldermen of the City of Savannah. The Prime’s subcontractor that subcontracts work must enter into a formal agreement with the tier subcontractor identified herein for work listed in this schedule. The Prime may count toward the goal any tier of M/WBE subcontractors and/or suppliers that will be utilized in the contract work. However, when an M/WBE subcontracts part of the work, the value of the subcontracted work may only be counted toward the goal if the tier subcontractor is an M/WBE. Any work an M/WBE firm subcontracts to a non-M/WBE firm will not count toward the M/WBE goal. It is the responsibility of the Prime contractor to advise all M/WBEs of this requirement and to ensure compliance by subcontractors.

**Joint Venture Disclosure**

If the prime bidder is a joint venture, please describe the nature of the joint venture, the level of work and the financial participation to be provided by the Minority/Female joint venture firm in the space provided below.
