STEPS WE ARE TAKING: NOTIFICATION

1 Month	2 weeks	48 hours
In Person Notification	In Person Notification	Notification Letter
<ul style="list-style-type: none"> The production's Locations Team will travel to the filming areas to complete an initial notification. During this notification, production will discuss the impact of filming, discuss concerns and provide solutions. If there is a major complaint or concern, the production will coordinate with the Office of Special Events Film & Tourism (OSEFT) & Savannah Area Film Office (SAFO) to find a solution. 	<ul style="list-style-type: none"> A reminder of the upcoming filming activity. Address any possible changes to the initial Notification Letter. At this time, concerns and solutions from businesses or residents will be finalized. OSEFT and SAFO will be included in any extraordinary changes or concerns and will be available to assist, if necessary. 	<ul style="list-style-type: none"> All concerns with the initial Notification and second Notification Letter will be resolved. This is a final reminder of when/where filming will be taking place and the impact on the community.

ADDITIONAL STEPS WE ARE TAKING

- **Resident and Business Surveys**

During the Notification Period, OSEFT & SAFO and the production will take a survey of needs with residents and businesses that are going to be impacted.

- **One on One Meetings**

OSEFT & SAFO will be working with the production to address one on one meetings with concerned residents and businesses.

- **24 Hour Communication**

Someone on the production staff will be available at all times during filming.

OSEFT and SAFO will make periodic set visits to assure a successful experience for both the community and the production.

During critical high impact filming days, SAFO and OSEFT are available 24/7 as needed on set.

- **Patronize Impacted Businesses**

Film Crew makes a concerted effort to shop and eat at businesses impacted by filming.

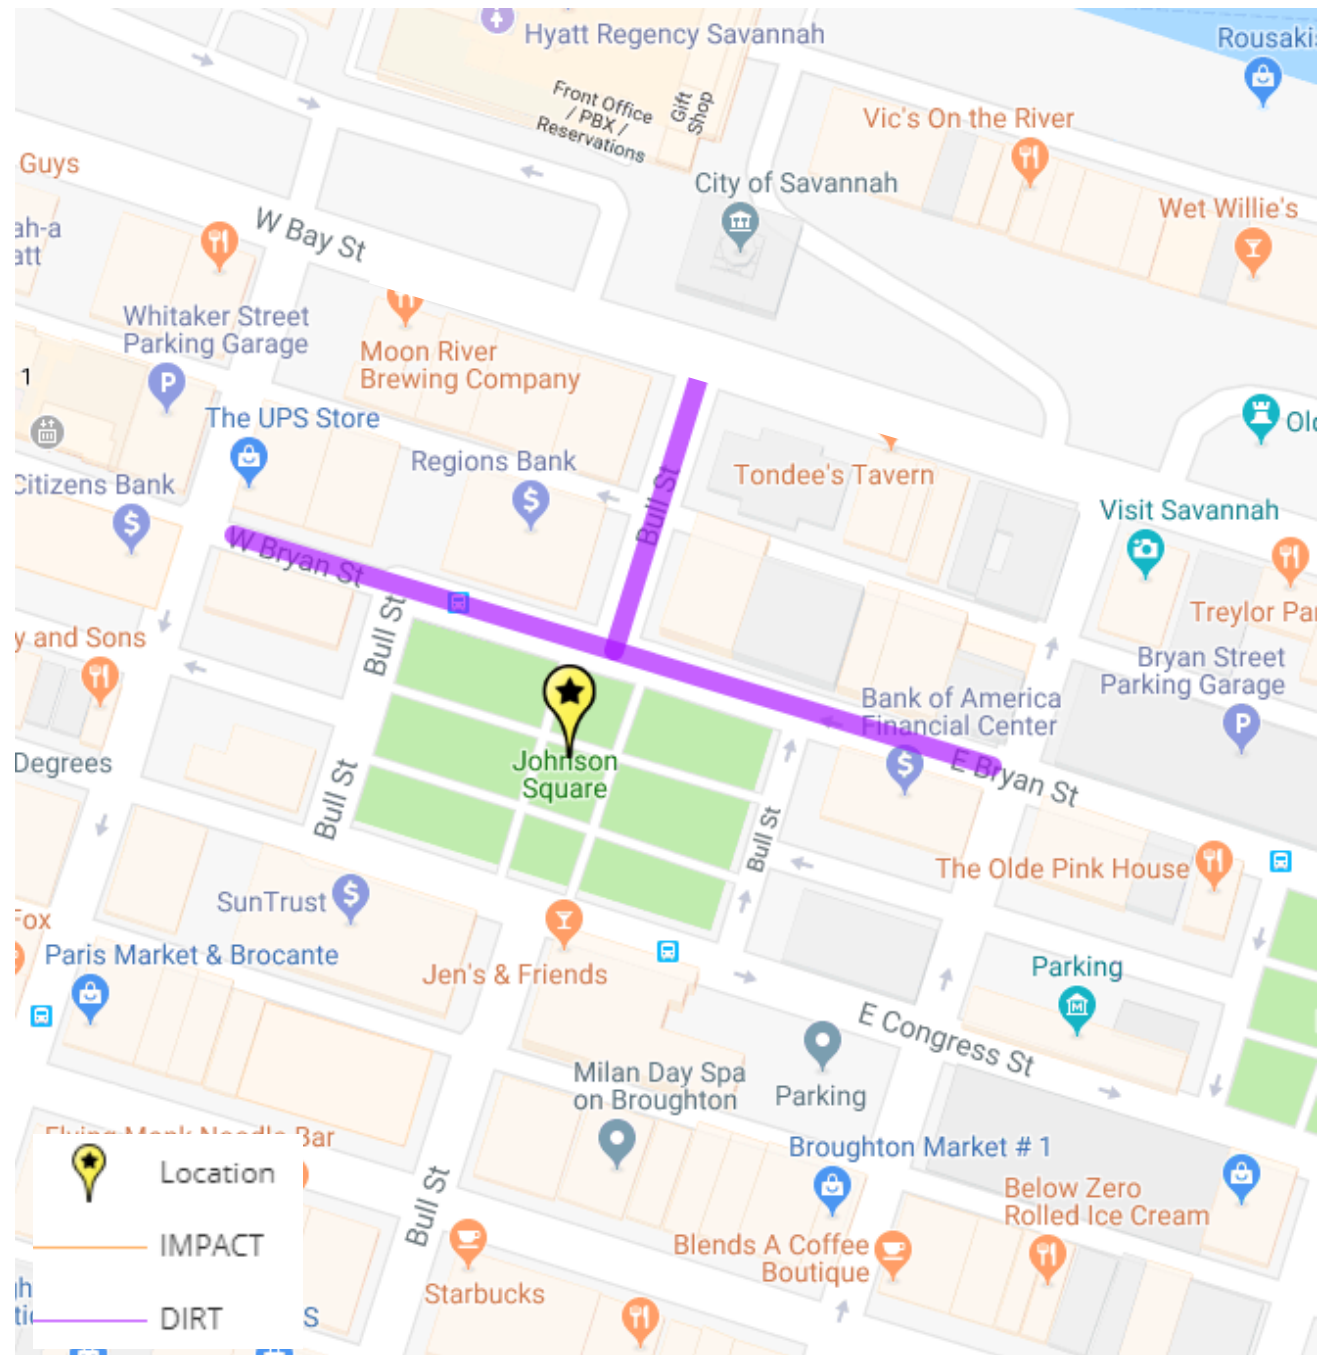

On any given day, the Crew is between 45 and 150 people.
