M/WBE SCORING WORKSHEET (Part-4B)
RFP with City-Established Goals

M/WBE participation goals presented below represent the total verified participation for each Proposer and may not match the participation levels submitted by each Proposer if one or more M/WBEs could not be verified as either certified, performing the type of work listed, or agreeing to participate in the project. Total points awarded are based on the degree to which the proposed MBE and WBE goals meet the City-established M/WBE goals.
