NOTES

Recommend approval to renew an annual contract for fire truck tires with Goodyear Tire and Rubber Company in the estimated amount of \$96,915.00. The fire truck tires will be used by the Vehicle Maintenance Department to outfit fire apparatuses. Savannah Fire and Emergency Services (SFES) utilize National Fire Protection Association (NFPA) 1911 guidelines for fire truck repairs. NFPA 1911 requires that emergency rated tires be installed on a fire apparatus. In addition, Savannah Fire Rescue is standardizing its fleet of fire apparatuses by purchasing Sutphen fire trucks and Sutphen Fire Apparatus Company recommends that only emergency rated tires be installed on their fire apparatuses. The emergency rated tires will ensure compliance with NFPA 1911, which contributes to the City's ISO-1 rating.

This contract was originally approved by Council on July 20, 2017. This is the first of three renewal options available.

The bid was advertised, opened, and reviewed. Delivery: As needed. Terms: Net 30 days. The bidders were:
