NOTES

Recommend approval to renew an annual contract for gasoline and diesel fuel from Sommers Oil Company in the amount of \$4,851,643.39 and Barrett Oil Distribution in the amount of \$756,044.00 for a total amount of \$5,607,687.39. The gasoline and diesel fuel will be used by various City departments to provide fuel and oil for equipment used in daily operations.

This is a cooperative bid which was solicited by Chatham County, however, the opportunity to meet the low bidder's pricing for tank wagon gasoline and diesel was extended to Barrett Oil Distributors under the local preference ordinance. Barrett Oil agreed to match the non- local low bidder's bid for tank wagon diesel and gasoline.

Sommers Oil Company and Barrett Oil Distribution agreed to exercise the renewal option of the contract for an additional one year term, with all prices, terms and conditions of the contract remaining the same.

This is the last of four renewals options available. This contract was originally approved in Council on May 2, 2013.

Delivery: As needed. Terms: Net 30 days. The bidders were:
