1	Enforcement of face coverup!!	5/25/2020 9:13 AM
2	Shut the entire city down for at least 2 weeks. Give residents 1 month notice of when the shut down will begin. This will give them time to prepare for nothing but the hospital, gas stations, funeral homes, police and fire department to be open. There should be a curfew not to be out of your house between certain hours. This is not ending because people are too anxious to get out. Bite the bullet for 2 weeks and we should see a decrease. This should be done for the entire US.	5/24/2020 11:47 AM
3	Reduce parking fees	5/23/2020 10:00 PM
4	Shutv everything back down	5/22/2020 7:34 AM
5	Have not heard of any restaurants using new ordinance. Share who is using it!	5/21/2020 7:40 AM
6	Remove all mandated restrictions and let people make their own decisions. Encourage elderly with health issues to stay home more, but otherwise let citizens decide.	5/21/2020 7:32 AM
7	Open back up and let herd immunity happen	5/21/2020 7:16 AM
8	If the fatality rate across Georgia is correct, based on numbers released from 5/20 on Fox 28 (WTGS), then we should move to reopen everything ASAP. One death sucks from anything, so I'm not down playing the reality of death; however, a fatality rate of 0.042% does not seem to warrant such a level of closure. Let those who are vulnerable stay home with the government looking to help them specifically. I am fully aware I may not have all the facts.	5/21/2020 6:07 AM
9	This program is an awesome application but ALL staff especially wait staff should be required to wear a mask	5/21/2020 1:26 AM
