WEEKS FOR PROCESSING

Petition for Real Property Application (other than Encroachment)

PETITION # 21-059

I respectfully approach the City with an offer to donate real property in a conservation area within the City of Savannah. The lot of land that my family is interested in donating is part of the historic Brickyard/Williams Ward neighborhood. I am working with the neighborhood association to help revitalize the area, to recognize the history and contribution of hard working families and persons in the economic success and development of the City, and to help continually provide a healthy, robust, community infrastructure.

The property in question is situate and adjacent to other City owned parcels in the Brickyard/Williams Ward. The property details are: Parcel ID: 20030 04005; 18 Sub of lot 18 Springfield Plantation on Pritchard St. 31415. The FMV of the land is \$5,000, and the taxable value of \$5,000. We stand prepared to execute the deed and provide the signatures to make such instrument(s) valid.

Yet the property is not just a piece of land, it is a tribute and recognition to several generations who worked hard and sacrificed so that we can work together to establish a legacy in appreciation of community.

It is my family's hope that the City will receive this property gift and collaborate with the residents on beautifying this Ward, preserve green space and tree lawn, and shine a light on the beauty and industrious history of this often forgotten neighborhood.

Sincerely – James Graham.
