NOTES		
<p>This is to procure a Carolina Skiff Boat from Custom Marine in the amount of \$48,237.</p> <p>This purchase is for a 2022 19' Carolina Skiff boat to obtain watershed samples to adhere to the five treatment plants' discharge permits. The watershed is the land area that drains to one stream, lake, or river which can affect the water quality in the water body it surrounds.</p> <p>The Water Reclamation Department samples sixteen different sites and conducts multiple analyses on each sample. Approximately 3400 samples are analyzed a year. Carolina Skiff boats are designed with flat bottoms to obtain the depth of water samples.</p> <p>Bid solicitations went out to Savannah First and the traditional bid process, sixty-six notifications were sent, but there were no bids received. The department obtained a quote from Custom Marine which was the only vendor able to obtain a comparable quote.</p> <p>The vendor is: Custom Marine (Statesboro, GA) ^(D) \$48,237</p> <p>(D) Indicates a non-local, non-DBE owned business, Terms Net 30, Recommend Approval</p>
