<b>NOTES</b>		
<p>Recommend approval of a modification for the Fall Protection System for the Savannah Arena with Evan Fall Protection in the amount of \$38,000.</p> <p>The rigging fall protection system is designed to provide riggers with a safe way to access the roof trusses and steel grid for protection while setting up for shows during arena events. This system is an OSHA requirement.</p> <p>This modification is due to an HVAC duct that was not shown on the plans and will require additional stanchions to be installed to navigate the fall protection system.</p> <p>The contract was originally approved by Council on May 27, 2021, in the amount of \$266,080. The total amount of the contract with the modification will be \$304,080</p> <p>Bid was advertised, opened, and reviewed. Bidders were:</p> <p>L.B.
