### NOTES

Recommend approval to procure installation of gas piping for IT ring generators with Henry Plumbing Co., Inc. in the amount of \$68,920.

The services will provide installation of exterior wall-mounted and underground plumbing associated components for natural gas to serve three emergency standby generators that are in the process of being installed to help ensure a functioning communications network throughout the City of Savannah during weather and disaster events, facilitating emergency and post-disaster operations.

The proposal was advertised, opened, and reviewed. Delivery: As needed. Terms: Net 30 days. The proposer was:

L.B. Henry Plumbing Co., Inc. (Savannah, GA)<sup>(A)</sup> \$68,920

A pre-bid conference was not conducted. (A) Indicates local, DBE business. Recommend approval.
