NOTES

Authorize the City Manager to Execute a Construction Contract to BRW Construction Group, LLC to build a new 16" Diameter Force Main to Serve Lift Station #166 which serves the Highlands Boulevard/Godley Station Area.

Lift Station #166 is in the Crossroads Wastewater Plant service area. The current 8" forcemain was built to serve only the initial phases of development and is undersized to serve the area as it approaches full development.

The new main will be installed by a combination of open trench, horizontal directional drill, and jack and bore methods and will be approximately 10,400 feet long. The approximate route of the proposed force main is shown on the attached Exhibit 1.

Delivery: As needed. Terms: Net 30 days. The vendor is:
