MATRIX (IF APPLICABLE) N/A		
NOTES		
<p>This is for the approval of Contract Modification No. 1 for Overhead Door Maintenance and Repair with Action Overhead Door in the amount of \$35,000.</p> <p>Savannah Fire has currently 15 stations with 57 overhead/bay doors. Most of the fire stations are over ten years in age with original overhead doors, which have not been replaced. Due to their age, there have been frequent operating issues, and parts have become more costly and difficult to find. Another factor to consider for additional funds needed is the overall increase in service prices and materials.</p> <p>To keep providing emergency services to the citizens and visitors of Savannah promptly by ensuring overhead/bay doors operate properly, Savannah Fire requests an additional \$35,000 in funding for the remainder of FY 2022.</p> <p>The contract was renewed on December 21, 2021, in the amount of \$50,000. Contract modification No. 1 would raise the amount of the contract from \$50,000 to \$85,000.</p> <p>Recommend approval of Contract Modification No. 1 for Overhead Door Maintenance and Repair for the Savannah Fire Department with Action Overhead Door, in the amount of \$35,000.00.</p>
