NOTES

This is a contract with Benevate, Inc, dba Neighborly Software in an amount not to exceed \$60,000. This specialized software is used to manage Housing & Neighborhood Services Dept., Human Services Dept., and Cultural Resources Dept. services and programs by 40 staff members. This contract has annual renewal options available through 2027, in the event the City decides to renew, the contract price will increase by 5% each year.

The departments listed above have used this software for several years and the vendor has been attentive to specialized departmental needs. In addition to helping the departments deliver services and programs to their customers, the software assists with the management and reporting of associated federal and other funding. This is a sole source because the City currently utilizes this software and is a critical part of the successful implementation of housing and human services that are the focus of the City. Terms: Net 30 days. Delivery: As requested.
