NOTES

Recommend approval to renew an annual contract for landfill leachate pumping and hauling services to ED Trucking (4140 A Ogeechee Road, Savannah, GA 31405)^(A) in an amount up to \$450,000. The Sanitation Department utilizes this contract to pump leachate from the Dean Forest Landfill and haul it to President Street Plant for disposal. Leachate is a liquid that results from precipitation percolating through waste matter deposited in a landfill. Leachate generation is a major concern for municipal solid waste landfills and causes significant threat to surface and ground water. The increase in funds is due to the addition of another cell.

This contract was originally awarded on September 10, 2020 in an amount up to \$468,000. This is the first renewal of four annual renewal options. Delivery: As needed. Terms: Net 30 days.

A) indicates local, DBE-owned business. Recommend approval.
