MATRIX (IF APPLICABLE) N/A		

NOTES

Recommend approval to procure 15 automated external defibrillators (AED) model LP1000 from Stryker (11811 Willows Road NE, Redmond, WA)^(D) in the amount of \$28,083.75. The current AED's have been discontinued and will no longer be supported. Savannah Fire Department personnel uses this piece of equipment to treat citizens/visitors who suffer from sudden cardiac arrest. This equipment will help ensure that Savannah Fire Department continues to provide quality emergency medical services to the citizens/visitors of Savannah while meeting the strategic goal of making citizens feeling safe in the neighborhoods. To ensure interoperability with Chatham EMS, this model is the best choice as this model of AED is compatible with Chatham EMS's AED, which is important because Savannah Fire Department has an agreement with Chatham EMS to exchange parts and accessories while on scene. This is a sole source because Stryker Medical is the only distributors of the LP1000 AED.

Delivery: As needed. Terms: Net 30 days. The vendor is:

S.S. Stryker Medical (11811 Willows Road NE, Redmond, WA)^(D) \$28,083.75

A pre-bid conference was not conducted as this is a sole source procurement. (D) Indicates non-local, non-DBE business. Recommend approval.
