CONTRACT TERM (IF APPLICABLE) Term expires February 24, 2022		
M/WBE (IF APPLICABLE) The DBE goal for this event was waived due to the absence of subcontracting opportunity.		
MATRIX (IF APPLICABLE) N/A		
NOTES		
<p>Recommend approval to renew an annual contract for chlorine and hydrofluosilicic (HFS) acid from Savannah Brush and Chemical Company in the amount of \$186,600. The Public Works and Water Resources Department uses HFS acid to treat groundwater to state and local drinking water standards. The chlorine is used for disinfection of harmful pathogens. HFS acid is used to add fluoride to drinking water. The contract amount is higher than the bid price because it was determined that additional quantities are needed.</p> <p>This contract was originally approved on March 26, 2020. This is the first of three renewal options.</p> <p>L.B. Savannah Brush and Chemical, Inc. (Savannah, GA)(B)</p> <p>Recommend approval.</p>
