NOTES		
<p>Recommend approval to renew an annual contract for group Medicare Advantage Plan with Part D coverage for the City of Savannah retirees and their spouses who are Medicare primary from Humana, Inc. in the amount of \$1,900,000.00. Changes in governmental accounting standards require recognizing the cost of post-employment benefits over the working career of an employee. In order to reduce this liability while maintaining retiree medical benefits, the best solution is a group sponsored fully insured Medicare Advantage Plan. Based upon 100% enrollment, the estimated annual cost for the approximately 790 covered retirees and spouses equals \$1,900,000.00 of which the City will pay on average 48% of the premium. This premium is reflective of an increase of approximately 5% from the prior year. The increase in premium is due to the mandatory inclusion of the Health Insurer Fee related to the Affordable Care Act for the 2020 year as well as a favorable claims experience.</p> <p>This is a sole source because our current employee benefits consultant, USI Insurance Services, conducted a market assessment and determined that this is the most cost effective plan. Delivery: As needed. Terms: Net 30 days.</p> <p>S.S. Humana, Inc. (Atlanta, GA)(D) \$1,900,000.00</p> <p>A pre-bid conference was not conducted as this is an annual contract renewal.
