NOTES		
<p>Recommend approval to renew a repair agreement for radio equipment support services from Motorola Solutions, Inc. in the amount of \$205,555.01. Public Safety, Public Works and Water Resources use the radio equipment for communication support. This agreement covers repair or replacement of radio system hardware, networking equipment, control stations, technician dispatch and onsite infrastructure repair with advanced replacement for parts.</p> <p>The agreement with Motorola is critical to ensure authorized, knowledgeable and timely vendor repair and support if and when it is necessary. This is a sole source because of the complex design and architecture of the radio system and because Motorola, the original provider, does not allow other vendors to perform primary repairs or support of its system. The annual agreement for FY2020 was approved by Council on March 26, 2020.</p> <p>Motorola Solutions, Inc. (Atlanta, GA)^(D)</p> <p>(D) Indicates a non-local, non-DBE business.
