### NOTES

Recommend approval to renew an annual contract for polygraph testing services with Southeastern Resolution Group, LLC <sup>(D)</sup> for up to \$52,500. The Savannah Police Department uses the polygraph testing services to test candidates for sworn police officer and police officer trainee positions. The tests are highly useful in the applicant investigation process as it deters those seeking to penetrate law enforcement departments, along with deterring the submission of false and incomplete information by applicants.

This contract was originally approved by Council on January 18, 2018. This is the third of four annual renewal options available.

(D) Indicates non-local, non-DBE business. Recommend approval.
