### NOTES

Recommend approval to procure mobile data terminals from Panasonic in the amount of \$217,600. The Information Technology Department will be purchasing 68 Panasonic CF-33 MDT's. The mobile data terminals allow for officers in both the Fire Service and the Police Service to communicate with Central Dispatch while providing real time GPS location mapping and information relevant to the current task.

This procurement was made through a cooperative purchasing agreement with U.S. Communities. Cooperative purchasing is authorized as an appropriate procurement method in Division 10 Section 4-4152 of the City of Savannah's purchasing ordinance.

The contract was competitively bid by US Communities and awarded to Panasonic. The contract expires on October 10, 2021.
