<b>NOTES</b>		
<p>Recommend approval to renew an annual contract for pump repair for President Street Plant and Regional Plants from GoForth Williamson in the amount not to exceed \$300,000. The pump repairs will be used by the President Street and Regional Plants to repair pumps located at the referenced locations. These pumps are critical components and used in various applications to convey wastewater to the next process. If pumps are not maintained or repaired in a timely manner, the impact will be spilling of raw sewage into receiving streams which will compromise the health and safety of City residents.</p> <p>The contract was originally approved by Council on June 20,2019. This is the first of three renewal options available.</p> <p>GoForth Williamson (Griffin, GA)<sup>D</sup></p> <p>(D) Indicates non-local owned business.</p>
