CONTRACT TERM (IF APPLICABLE) N/A		
S/DBE (IF APPLICABLE) N/A		
MATRIX (IF APPLICABLE) N/A		

NOTES

This is to procure the rebuilding of a fire truck engine from Cummins Sales and Service in the amount of \$26,220.92. This is to repair fire truck unit 9503 which requires an engine rebuild in order to have the vehicle back in service. The rebuild will include a full engine overhaul kit: pistons, liners, rod, main bearings, cylinder head, injectors, turbo, head gasket, seals, oil, coolant, and filters. Unit 9503 is not scheduled for replacement until 2024 so this repair must be done to avoid any delays in service from the City of Savannah Fire Department. This is a sole source due to the vendor having all of the parts on hand for the repair and also has past experience with this engine as they have rebuilt in the past.

Delivery: As needed. Terms: Net 30 days. The vendor is:

S.S. Cummins Sales and Service (Chatham County, GA)^(D) \$26,220.92

A pre-bid conference was not conducted as this is a sole source procurement. (D) Indicates non-local, non-DBE business. Recommend approval.
