NOTES

Recommend approval to secure sockets layer upgrade from Layer3 Communications in the amount of \$37,053.64. The secure sockets layer upgrade will be used by the City of Savannah Department of Information Technology (DoIT) to upgrade the current Pulse software. This software allows the DoIT to have remote access to City PCs while providing a measure of protection against viruses. This is a sole source because this equipment is available only from this source. It is critical to have maintenance and support from the original provider to ensure authorized, knowledgeable, and timely vendor support when and if it is necessary.

Delivery: As needed. Terms: Net 30 days. The bidders were:

S.S. Layer3 Communications (Savannah, GA)^B \$37,053.64

A pre-bid conference was not conducted as this is a sole source procurement. (B) Indicates local owned business. Recommend approval.
