NOTES

Notification of emergency purchase for a rental of a generator from W.W. Williams in the amount of \$50,000. The generator will be used by the Public Works and Water Resources Department for back-up power system until the current generator is repaired. The inspection of the current generator was completed in August and a faulty water pump was found. The department has ordered the part for the generator, however, this was ordered prior to Hurricane Dorian. The recommend vendor currently has the contract for generator maintenance and was able to immediately provide the equipment to the department.
