MATRIX (IF APPLICABLE) N/A		

NOTES

Recommend approval of Contract Modification No. 1 for Live Oak Streetscapes with Johnson-Laux Construction in the amount of \$3,342.70.

The original contract was for the installation of streetscape improvements for 3 blocks of Live Oak Street. This project includes pavement widening, rolled cure and gutter, lane aprons, driveway replacement, minor storm improvements, and necessary demolition and tree removal. This will also reduce standing water along the street and create a wider and safer street. This modification includes the installation of 117 square yard leveling course of pavement on Live Oak Street, between 53rd and 54th Streets. This will prevent drainage into the lane and the ponding of water in the street, thereby reducing street, lane maintenance, and promoting safer vehicular travel.

This contract was originally approved buy Council on June 20, 2019 in the amount of \$198,485.86. The total amount of this contract to date, including this amendment, is \$201,828.56.

Recommend approval of Contract Amendment No. 1 for Live Oak Streetscapes with Johnson-Laux Construction in the amount of \$3,342.70.
