<b>NOTES</b>											
<p>Recommend approval to award a construction contract for Riverwalk Wharf Repairs to E&amp;D Contracting Services in the amount of \$180,000. This contract will be used by the Office of Capital Projects Management to make repairs to the Riverwalk. Over time deterioration has occurred along the wharf in Rousakis Plaza, however, the structural capacity of the wharf does not yet appear to have been compromised by the deterioration. This project will make repair areas that have the most deterioration. Doing the repairs now will minimize the cost of future repair work and increase the longevity of the structure. The project consists of different types of crack and spall repairs along the structure.</p> <p>The low bidder withdrew their bid. In order to bring the project into budget, the second low bidder agreed to do the project at a cap of \$180,000.00. The project is a unit price contract based on the type of repair that is needed.</p> <p>The bid was advertised, opened, and reviewed. Delivery: As needed. Terms: Net 30 days.
