Dear Ms. Goldey:

Family Promise of Greater Savannah, Inc. (Family Promise) is very interested in acquiring the above referenced abandoned houses from the Chatham County / City of Savannah Land Bank Authority (LBA) if the LBA is able to obtain the properties from the City of Savannah. Family Promise will work with the LBA, the City of Savannah Housing & Neighborhood Services Department and, if necessary, Community Housing Services Agency, Inc. to renovate the houses and make them available to families participating in our housing initiative. The proximity of the three houses next to and across from one another will be an asset to our families from a support system point of view and to Family Promise from a management standpoint. We are very excited about what is happening on Cumming Street and the opportunity to play a role in its revitalization through the provision of much needed housing for participants in our programs. Please let me know if you need additional information. Thank you.

Sincerely,

Katrina R. Bostick
