MATRIX (IF APPLICABLE) N/A		
NOTES		
<p>Motion to approve Contract Modification No. 1 for roadway condition assessment services with RoadBotics, Inc. in the amount of \$24,990.00.</p> <p>The original contract was for roadway condition assessment services for 350 miles of City roadways. This modification is needed to complete an additional 350 miles of City streets and roadways.</p> <p>The original contract was approved on a Small Purchase Agenda in June 2018 in the amount of \$24,990.00. This additional contract will bring the annual total awarded funds to Roadbotics above \$25,000.00 which requires City Council approval.</p> <p>Roadbotics is a company that utilizes a vehicle outfitted with data collection cameras and technology to assess the conditions of streets and roadways. Their machine-learning technology analyzes the data and provides a map detailing the results of the assessment. This information will help the City create an informed, targeted, and efficient roadway resurfacing plan.</p> <p>It is recommended that the City approve the contract with Roadbotics as this vendor successful completed the initial 350 miles of City roadways in August 2018. This contract is a sole source because this company is the only known supplier of this technology.</p> <p>Recommend approval of Contract Modification No. 1 for roadway condition assessment services with RoadBotics, Inc. in the amount of \$24,990.00.</p>
