## NOTES

Recommend approval to renew an annual contract for water and wastewater sample analysis with Florida Spectrum Laboratories in the amount not to exceed \$100,000.00. These services will be used by the Industrial and Domestic Water Department and the Dean Forest Landfill to provide sample analysis to maintain compliance with Environmental Protection Agency standards. The apparent low bidder was not selected because it did not meet specifications requiring State of Georgia certification in chemical and microbiological testing.

Bids were originally received on May 23, 2017. The contract was originally awarded by Council on September 28, 2017. This is the second of three renewal options available. Delivery: As needed. Terms: Net 30 days. The bidders were:

	ALS Environmental (Jacksonville, FL) <sup>(D)</sup>	\$16,666.00+

	TestAmerica Laboratories, Inc. (Savannah, GA) <sup>(B)</sup>	\$82,804.00*
